I Mrs. Reuben's
 I don't know how (exactly) to
 say it but - without your wonderful
 help I don't think I could have ever
 done "the script." ~~your~~ the many hours
 that you put in (over your classes) can
 never be replaced, but in this
 humble tribute to
 you, I hope that I
 have shown at least
 a little of the great
 amount of gratitude I owe you.

Yours always,

FOREWORD

The 1954 CERALBUS staff worked long and hard this year with one thought in mind . . . to please you, the student body. This goal has prompted us to give our very best efforts to all details of the book, from the first page to the last. Here, then, is the result of all our dreams, plans, and work . . . your 1954 CERALBUS. We hope you like it.

Mrs. Reuben
You & I have been

HAWAII CALLS

Across the blue waters of the Pacific, in calm, peaceful sunshine and through turbulent wind and storm, Hawaii calls! Into the dawn and against the background of a beautiful setting sun, Hawaii calls! Her call is the voice of a freedom-loving, tolerant people, the outpost of the greatest democracy on earth. We give you your theme for the 1954 CERALBUS . . . freedom, which is your heritage, and tolerance, which is your goal . . . this is Hawaii's call!

Mrs. Reuben,
I have enjoyed
your class very much.
This semester, you put
more into the class than
it was required, which made
(your discussions & talks
especially.) Not only have I
enjoyed it, but I have
truthfully gained a lot of
fundamental knowledge
which I know will be
very helpful to me in
the future. I wish to a
deserving person. May
you be very happy
in your future years.

- Miss Reuben -

I really enjoyed being in your class.
I only hoped I can come to visit
you again, I had a lot of fun talking
to you. I guess it just proves that teachers
have to be teachers while they're in
school. Best Wishes to one of the best.

the honor of our chief of staff, Mr. A. G. Ogborn,
who, in addition to guiding our school for many
years, has become endeared to us as our teacher,
counselor, and friend.

Entering Burbank High School as sophomores,
we stand in awe as we contemplate our principal.
Our first impression is that he is remote and unat-
tainable. This feeling is hardly born, however, be-
fore it is replaced by one of closeness.

His smile, his innate friendliness, his interest in
everyone, soon convinces us that we have more
than a principal, more than a leader; we have a
friend. We have someone who directs the efforts
of the faculty and the student body in a demo-
cratic manner . . . a man who leads so well that
we who are led are sure that we are leading.

To you, Mr. A. G. Ogborn, we proudly dedicate
our 1954 CERALBUS. You have gained our confi-
dence, you have won our admiration, you have
influenced our lives. You have given to us of your-
self, and in the giving you have gained a part of
us. We respect you as our principal, we admire
you as our leader, and we shall always value you
as our friend.

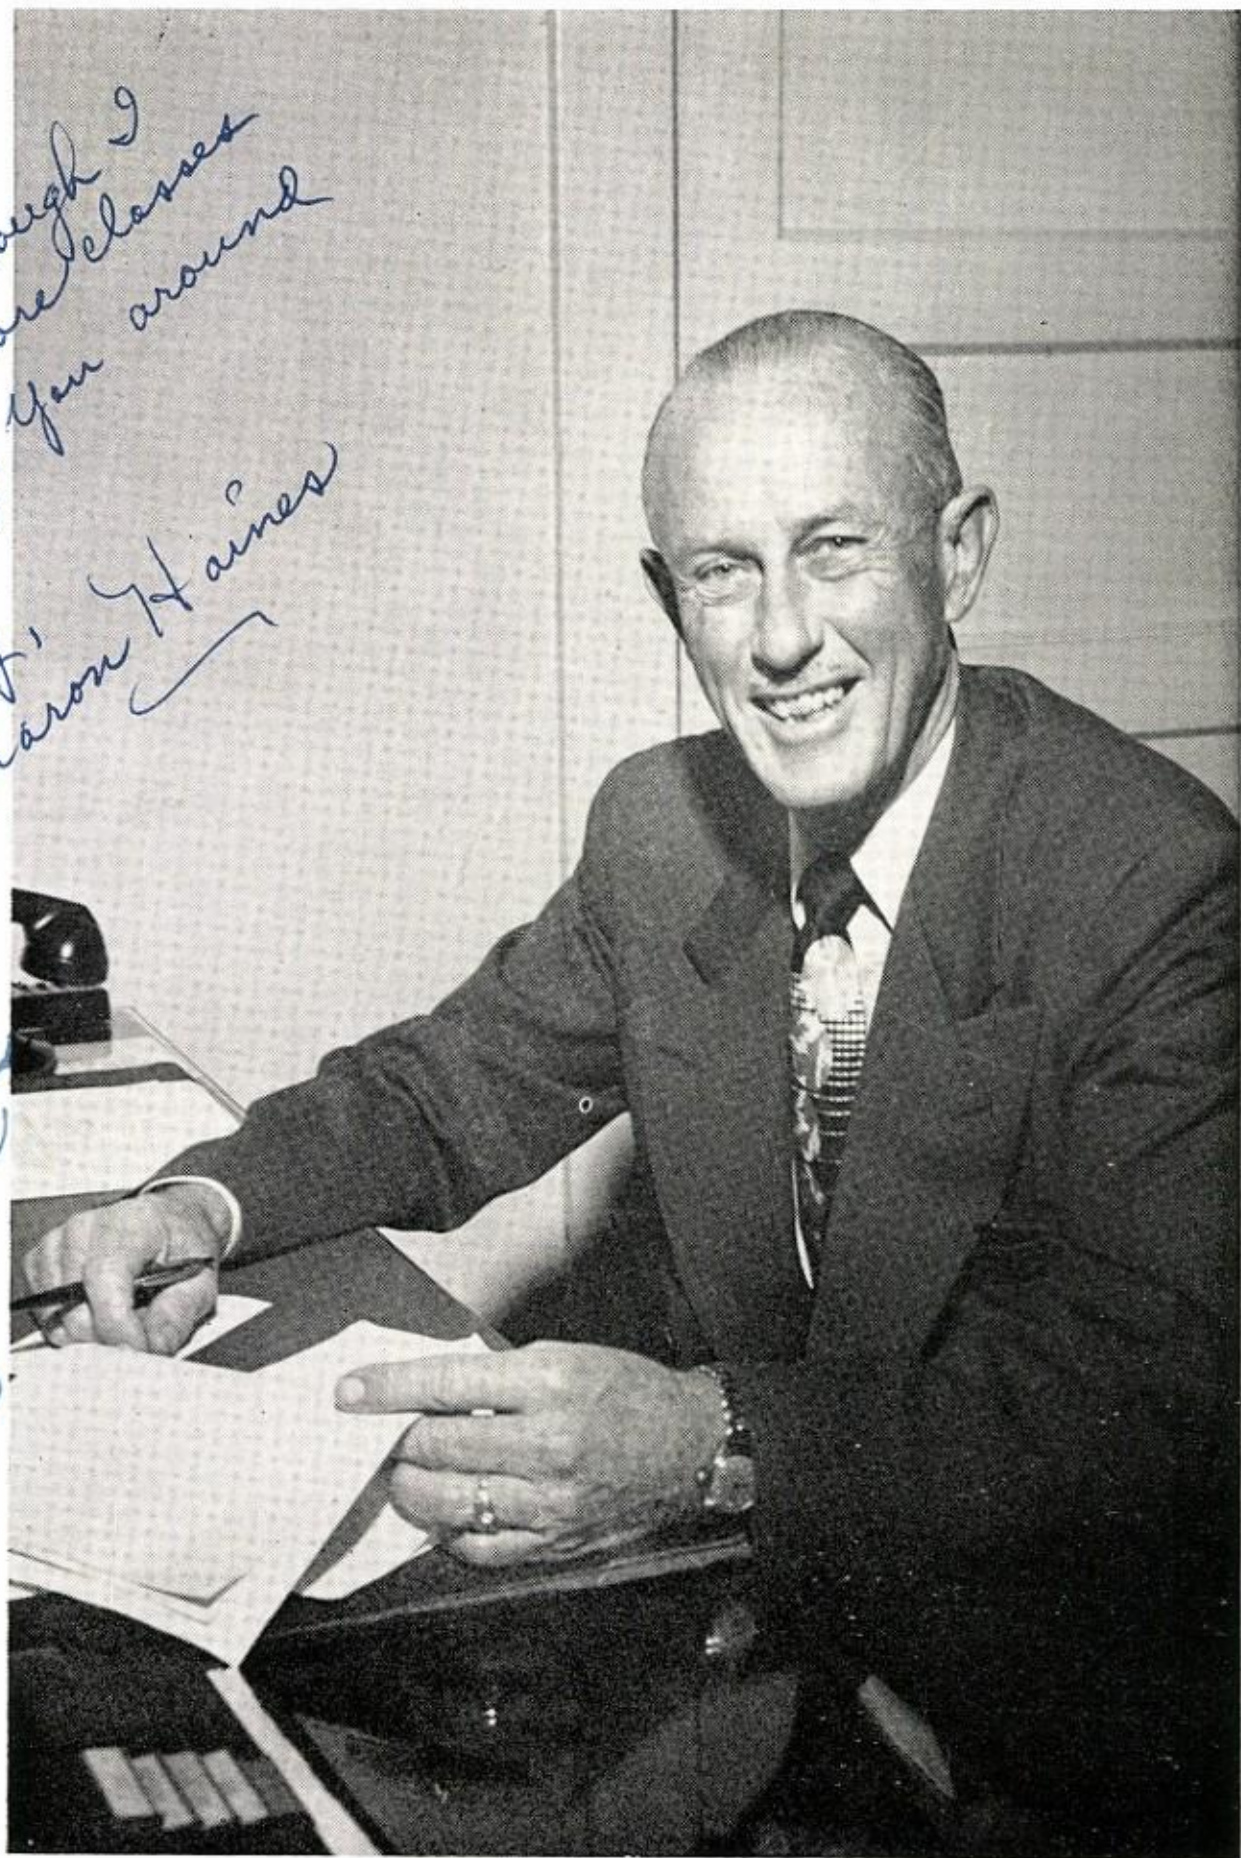

Miss Reuben,
I have enjoyed
being in your class
this semester, and I will
remember you as a fine teacher.
Have fun this summer! I wish you
happiness and the best of luck.

Mr. A. G. Ogborn, Principal

Mr. Ogborn has served as principal of Burbank High School since 1940, possessing an understanding of students which many fail to attain. He has gained the respect of the entire student body through his tactful ways and friendly manner, and his leadership has done much to promote our high school to a prominent rank.

Mr. Ogborn is always happy to join us in our many school activities and because of his abundant school spirit, he stands as an example before us.

Noted for friendliness and sincerity to the students are girls' dean Katherine A. Dwire, who serves as an advisor of the Z Club and Girls' League; Ed Bedigan, boys' vice principal, who has quite a sense of humor; and Theodore Kopp, registrar for both BHS and Burroughs.

These administrators have done a fine job, and we, of the student body, appreciate their efforts.

Mr. J. Russell Croad has served Burbank for nine years as Superintendent of Schools. His energy and foresight in keeping the school system abreast of the rapid growth of the community has been outstanding. Both the schools and the community owe him a deep debt of gratitude.

The Board of Education consists of five long-time residents of Burbank who have set up a good educational policy for Burbank schools. Serving as members of the Burbank Board of Education are Walter S. French, president; Susan C. Lundstrom, vice president; Gordon V. McCann, Ralph E. Simpson, and P. Fred Johnson. Teachers Plan

A school teacher's job is one requiring patience, understanding, and hard work. Our teachers at BHS exhibit all of these qualities as they work together to teach us today to be capable citizens of tomorrow.

Mr. Johnson is a sophomore English teacher. Miss Weinstock is also an English teacher. She serves as the advisor of the Assembly Committee and the sponsor of the Scholarship Club. Mr. Rankin teaches General Business and Business Typing.

Mr. Boggis heads the BHS Music Department. He leads the Orchestra and the A Cappella and directs the operetta which is given each spring. One of the mathematics teachers is Mr. Clark.

Mr. Bates teaches Art and advises the Publicity Committee. The BHS Machine Shop teacher is Mr. Kofahl. Mr. Driscoll is the Mechanical Drawing instructor.

Mrs. Adams teaches Beginning and Advanced Sports, sponsors the GAA, and is the Social Committee advisor. The Modern Dance teacher is Miss Wolfson, who also advises the Rally Committee. Miss Flatley teaches Physical Education and advises the GAA and the Social Committee.

TOP: Mr. Bates shows Mr. Driscoll and Mr. Kofahl an auto design done by one of his students.

CENTER: Mr. Clark and Mr. Boggis refer to the symbols of their classes.

BOTTOM LEFT: Miss Weinstock is demonstrating her literary style to Mr. Johnson and Mr. Rankin.

BOTTOM RIGHT: Discussing plans for their physical education classes are Miss Flatley, Mrs. Adams, and Miss Wolfson.

Our Lessons

Mrs. Carson is a junior English teacher and an advisor of the Girls' League. Mrs. Eisman, a newcomer to BHS, teaches sophomore and junior English. She is also an advisor for the Girls' League.

Serving as a senior English teacher is Mr. Jaffie. He is also the Boys' League advisor. Mr. Nesel, a new member of the faculty, is an Auto Shop instructor and the assistant baseball coach.

The print shop teacher is Mr. Fredricksen, to whom the 1953 CERALBUS was dedicated. He and his students print the Hi-Life, the CERALBUS, and many posters and office forms.

Life Science teacher and head track coach at BHS is Mr. McMurry. Mr. Campbell teaches Bookkeeping and General Business and helps keep the school finances in order.

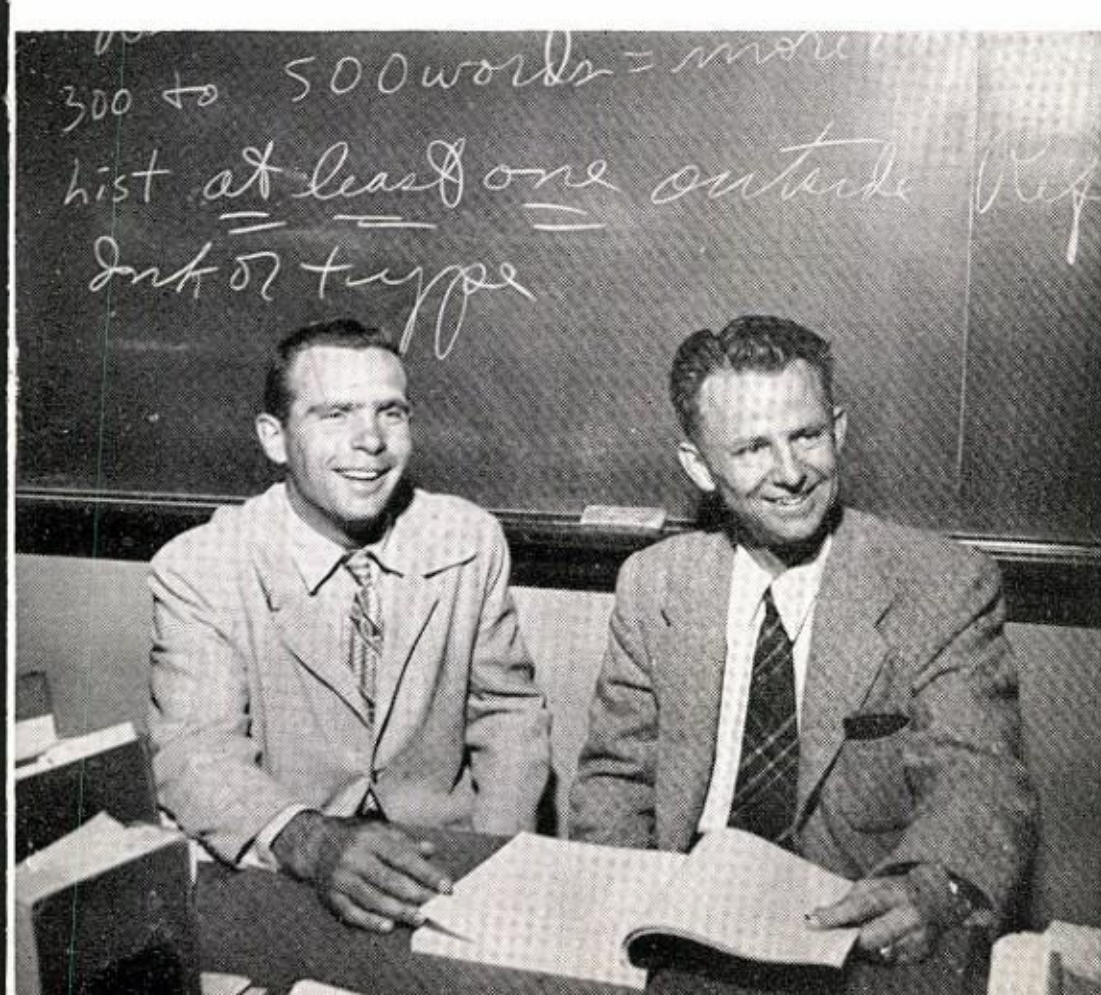

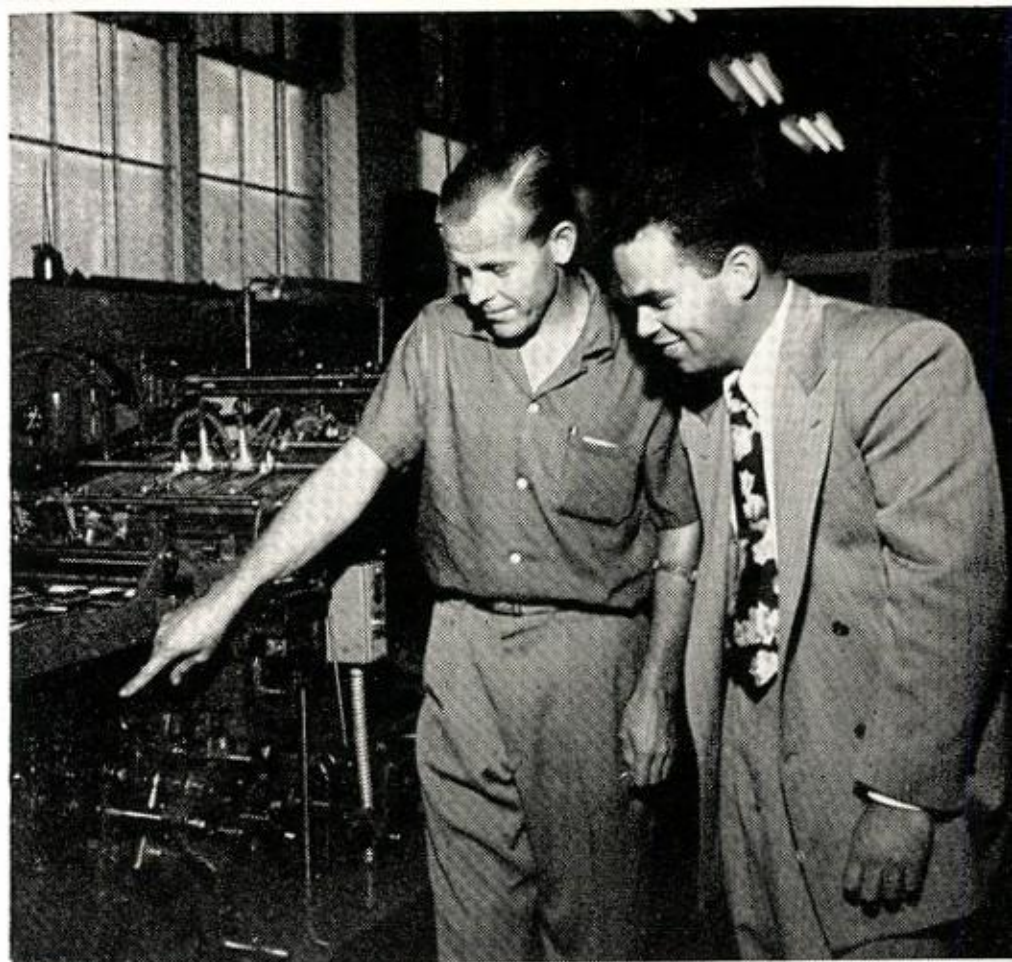

The Clothing teacher is Mrs. Banks, who is an advisor of the Girls' League. Another teacher who is active in the Girls' League is Miss Vaughn, a World History teacher.

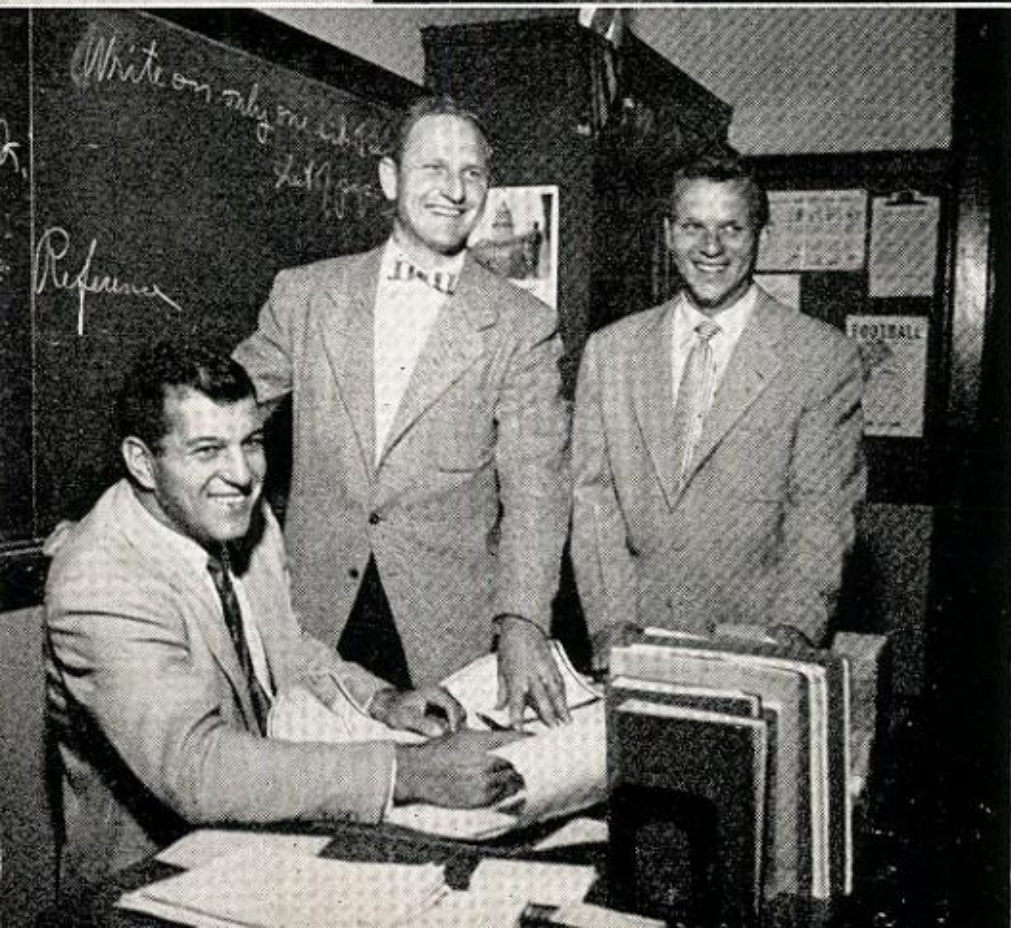

TOP: Mr. Fredricksen shows Mr. Nesel the functions of the print shop's cylinder press.

CENTER: Mrs. Banks discusses the summer fashions with Miss Vaughn.

BOTTOM LEFT: Mr. McMurry and Mr. Campbell discuss the finances of BHS.

BOTTOM RIGHT: Mrs. Carson, Mrs. Eisman, and Mr. Jaffie seem to be pleased with those test grades.

TOP LEFT: Mrs. Jacobson helps Mr. Garapedian and Mr. Gardner do some research.

TOP RIGHT: Waiting their turn as Mr. Carden "signs in", are Miss Willis and Miss Nager.

CENTER: Mrs. Coke looks pleased as she samples some of Mrs. Gorney's pie.

BOTTOM: Mr. Bruckner, Mr. Peterson, and Mr. Brewer seem quite pleased over their day's accomplishments.

New at BHS is Mr. Gardner, who teaches Problems of Democracy and Senior Problems. Mr. Garapedian teaches Business Typing and Journalism. He is the advisor of the BHS paper, the Hi-Life.

Mrs. Jacobson, an advisor of the Girls' League, teaches junior English. Mrs. Coke is a French and Spanish teacher. Foods and Personal Grooming classes are taught by Mrs. Gorney.

Teaching World History and U. S. History is Mr. Bruckner. Coach of the "B" football team is Mr. Brewer, a History teacher. Mr. Peterson teaches World History and coaches the "B" basketball team.

Three new teachers at BHS are Mr. Carden, Miss Nager, and Miss Willis. Mr. Carden is the Speech and Drama teacher. He directs the Senior Play which is given each semester. Miss Nager teaches English and Spanish. Miss Willis, an English teacher, is the sponsor of the Somos Terceras Tri-Hi-Y Club.

TOP RIGHT: Mr. Hier, Mrs. Merrill, and Mr. Smith study an interesting chart.

CENTER: Mr. Gummere and Mr. Chilton discuss their shop classes.

BOTTOM: Enjoying their conversation are Mr. Traynor, Miss Chapin and Mr. Turner.

Mr. Fesler is a Chemistry and Geometry teacher. He is also the sponsor of the BHS Science Club. Another of the new teachers at BHS is Mrs. Reuben, the Biology and Life Science instructor. Mrs. Utzman is a Spanish teacher and the Spanish Club sponsor.

Mr. Hier teaches Problems of Democracy and Senior Problems. Latin and English teacher, Mrs. Merrill, sponsors the Latin Club and advises the Girls' League. Mr. Smith is one of the U. S. History and Civics teachers. Auto Shop instructor is Mr. Chilton.

Mr. Gummere, a new member of the faculty, teaches Wood Shop and Electric Shop. Mr. Traynor, Physics and Geometry teacher, is the ASB advisor. He also sponsors the Rifle Club.

Curriculum Co-ordinator and World History teacher is Miss Chapin. Mr. Turner teaches Geometry and Algebra. He is also the tennis coach.

Activities

And Guide Our

Mr. Lockwood teaches Physical Education and coaches the varsity basketball team. Mr. Minasian is coach of the baseball team and is also chairman of the Lettermens' Club.

Mrs. Weeks is a U. S. History and Civics teacher. A new member of the faculty, Mr. Leach, teaches World History. He is the sponsor of a "Y" club at BHS. Mr. Gilman, new at BHS, teaches Physical Science and Science.

Miss Rowland, English teacher and CERALBUS advisor, is another new faculty member. Miss MacDougall is the Photography teacher and the sponsor of Camera Club.

Mrs. Green, who is new this year, teaches Problems of Democracy and Senior Problems. Mr. Wiley, Varsity Football coach, teaches Radio Shop and Shop Math. Also new to BHS is Mr. Brown, who teaches World History and English.

TOP LEFT: Mr. Lockwood and Mr. Minasian check the football equipment just before an important game.

TOP RIGHT: Helping Mrs. Weeks locate important historical locations on the map are Mr. Gilman and Mr. Leach.

CENTER: As they check the roll, Miss MacDougall, Mrs. Green and Mrs. Rowland smile for the cameraman.

BOTTOM: Looking at their busy schedule for the day are Mr. Brown and Mr. Wiley.

Interests

Among the first personalities a new-comer to BHS meets is fun-loving Jean Machin, who is senior secretary to Mr. Ogborn. Soon you will know Attendance secretary Lenita Dooley who records absences and hands out absence and cut slips . . . and off-schedules. Busy Eileen Goracki, junior secretary, has charge of student records, transcripts, and testing. Jeanne Fonseca, completing her first year as stenographer-clerk at BHS, records all student detention.

In charge of our many library books is librarian Pauline Salvage, who keeps us all quiet as mice on the library's premises. Library assistant Leota Scott has charge of the text-book room.

Making sure students are "fit as fiddles" before entering school is nurse Mrs. Davies.

Head custodian Johnnie Palermo and his co-workers Margaret Beasley, John Barth, Orville Canfield, Robert Gollyhon, Arthur McKee and LeRoy Wetrz have willingly lent their assistance to this year's 'Keep the School Clean' campaign by cleaning classrooms and campus after school was dismissed.

TOP: Miss Fonseca, Mrs. Goracke, Miss Machin and Mrs. Dooley are hard at work in the office helping to keep the school running smoothly.

CENTER: Checking out a book is Miss Scott, while Mrs. Salvage and Mrs. Thompson glance through the library files.

BOTTOM LEFT: John Wearn, Earl Weigmann, John Barth, Margaret Beasley and Johnny Palermo, head custodian, begin a hard day's work in the storeroom.

BOTTOM RIGHT: A. C. McKee, Bob Gollyhon, LeRoy Wertz, and Bud Canfield look pleased over their day's accomplishments.

ASB OFFICERS — BACK ROW: K. Howey, auditor; J. Graves, vice president; J. Trapani, president. FRONT ROW: S. Madden, secretary.

An important branch of our school government is the Executive Council. This council consists of the ASB officers, committee chairman, and presidents of school clubs.

The Supreme Court was a valuable addition to this fall's council. Included in the court are judges from the 11B, 12B, and 12A. Those appointed to office were Bonnie Bray, Spencer Moore, and Delores Rudloff. These judges are responsible for keeping our school constitution up to date and in proper order.

The council amended the by-laws of the constitution to accomodate a fourth yell leader. This action proved to be beneficial to our school spirit. Don Simpson was appointed to fill the position.

Marti Griffin headed a committee for the continuation of the Booster Bus. The bus followed the team to most of the football games, providing transportation for many students.

On the parents' "Back to School Night" the council members participated in an unrehearsed meeting, illustrating the democratic form of government employed at BHS.

This fall's Executive Council is to be congratulated on their many accomplishments and contributions to BHS.

Dear Mrs. Reuben:

I have enjoyed being in your class. And I want to thank you for letting me talk to you and spill some of my problems. I wish you the best of luck in your future marriage.

Practice Democracy

The spring Executive Council showed immediate signs of action by completing the final CERALBUS campaign. A grand total of 1,015 books was sold by the council.

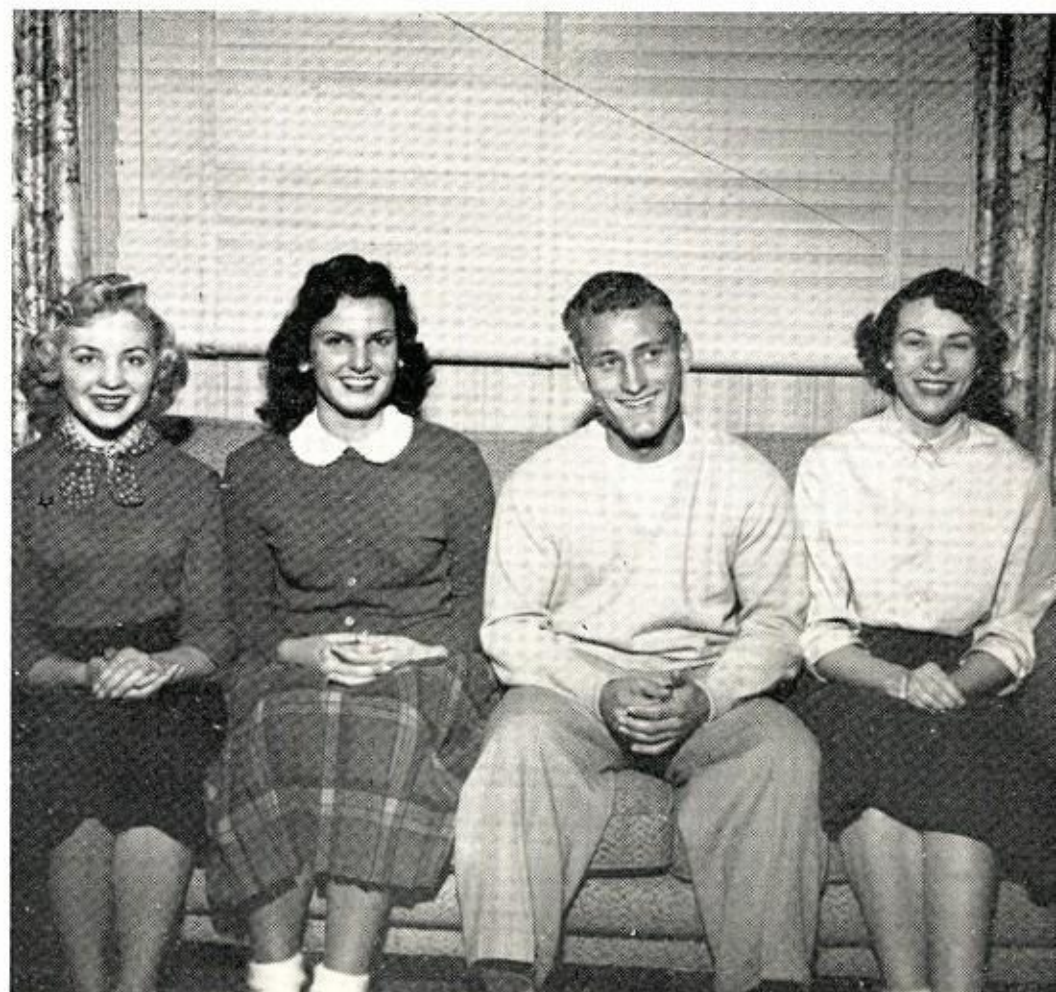

This executive body, led by President Joan Trapani and sponsored by Mr. Traynor, was concerned with more student participation in activities. As a result, the council submitted recommendations and approved the Science Club constitution presented by Art Moore, the Home Economics Club constitution presented by Alma MacDonald, and the Junior Statesman constitution presented by Barbara Hunt. Other interest clubs were encouraged to organize, such as the Future Teachers of America Club.

Marti Griffin suggested that the council evaluate the election methods practiced at BHS. It was decided that the campaign managers in the nomination assembly did not over-influence the voters, and therefore should not be eliminated. The members of the council also discussed appropriate dress for campus wear.

With the guidance of Mr. Ogborn, the Executive Council considered the advantages and necessity of purchasing student body cards for next fall. The collected information was then referred to the Legislative Council for further action.

Your fellow students salute you, Executive Council, for doing such a fine job in taking charge of school affairs and working for the improvement of BHS.

A democratic form of government was exercised in the Legislative Council. Representatives from each guidance class submitted suggestions and made decisions under the direction of Joan Trapani, ASB president, and Mr. Traynor, faculty advisor.

Plans for initiating a Pep Club to promote school spirit and provide for an organized cheering section in the stands were favored in council discussion. The Pep Club committee was in the process of drafting a constitution at the close of the semester.

Joan Murray and Bonnie Bray, sportsmanship judges for BHS kept the council well informed on the results of the Foothill League Sportsmanship contest. Burbank tied with Glendale for fourth place in the League.

The council also carried out the booster bus program started by the fall council of 1952.

This hard working council deserves much credit for their accomplishments during the fall semester.

The Good of All

Vice-president Tim Smith wielded the gavel in the spring Legislative Council. This representative body worked hand in hand with the Executive Council.

A committee was appointed by Don James to buy new records for the juke box in the cafeteria. Popular records were purchased once every month.

Barbara Hunt headed a committee for the organization of the Junior Statesman Club. The purpose of this club is to increase interest in our democratic form of government. The club became active upon the approval of their constitution by the Executive Council.

Dody Trout initiated the plans for a Future Teachers of America Club. The council members aroused interest in their classes for membership. The Council discussed the disadvantages and advantages of having campaign managers in the nomination assembly. A tabulated vote from the guidance classes indicated that the managers were desirable and were not harmfully influential.

The Legislative Council also concentrated on matters concerning the purchasing of fresh fruit, student body cards, and athletic awards.

This council deserves much credit for a successful semester of progress.

Committees

The Assembly Committee, headed by Ilene O'Rell, was responsible for seeing that all the assemblies were carried out successfully. This was accomplished by having each committee member in charge of three or four assemblies. This committee also scheduled all the assemblies for the spring semester under the direction of Miss Weinstock, faculty advisor.

Dick Speer was chairman of the Publicity Committee during the fall semester. With brushes in hand and ingenious ideas in mind, this committee publicized all school events and activities by colorful and informative posters. The Publicity Committee promoted greater interest and spirit for school affairs.

Bill Rehrig, head yell leader, was chairman of the Rally Committee. This committee consisted of twelve members, two from each grade level, and a faculty advisor, Miss Deane Wolfson. With loud cheers and humorous skits, this enthusiastic committee created strong school spirit for all our athletic events. Our exchange rally with Burroughs was one of the best rallies during the fall semester. This committee planned and executed many fine rallies which were enjoyed by all the students.

The Social Committee, which was headed in the fall semester by Tim Smith, had charge of planning and decorating for the school dances. Some of the excellent results of this diligent group were the Sock Hop, the football dance, and the semi-annual, formal Aloha. This committee also keeps our popular juke box furnished with top tunes. With the assistance of Mrs. Adams, faculty advisor, the Social Committee deserves much credit for the organized planning of our school dances.

These are the committees at BHS which contribute greatly to our school life.

Work for Us

The summer ASB committees at BHS have exhibited co-operation and enthusiasm in carrying out the school activities.

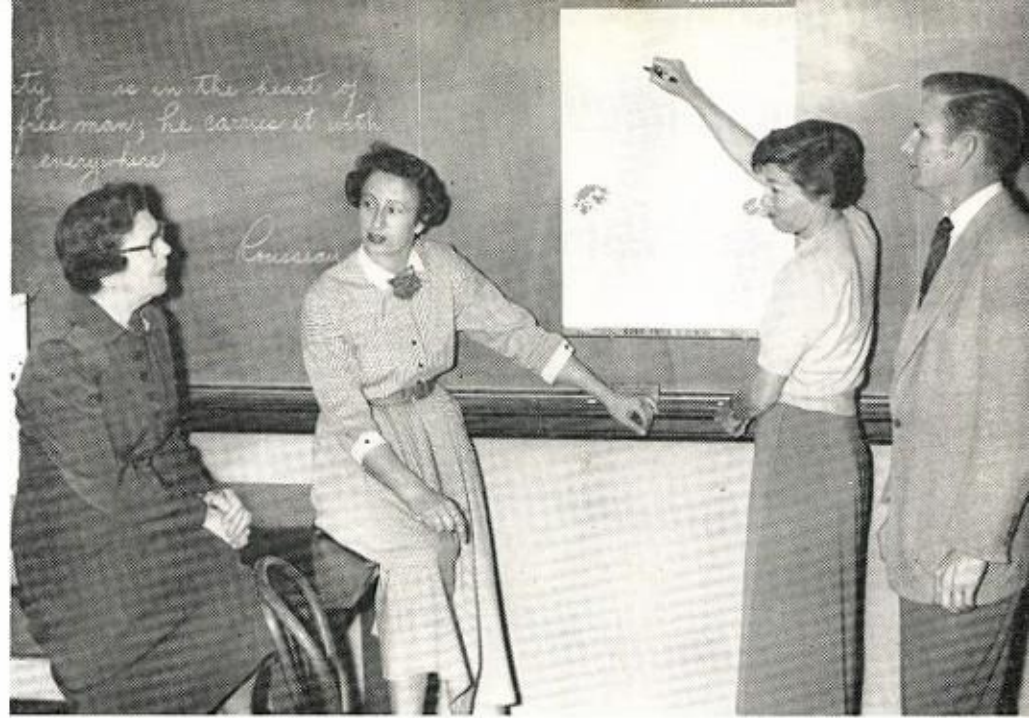

The Publicity Committee, under the direction of Allen Goodman, chairman, and Mr. Bates, advisor, handled all the publicity of such school affairs as sports events, dances, and senior plays. A great deal of time was spent in painting the unusual posters advertising these events, as well as in placing them around the school. The football, basketball, and track schedules, which were put up in different rooms, were arranged by this committee to make sure the student body was informed about all school events.

The Social Committee was under the direction of Don James, chairman, and was advised by Mrs. Adams. Not only does this committee plan and decorate for dances, but it also approves all social activities sponsored by outside organizations such as the Girls' League and the Boys' League. It has the responsibility of helping decorate for the events of these organizations including the Backward, sponsored by the Girls' League. We owe a vote of thanks to this committee for securing the fine bands we have had at our school dances.

Allana Crothers served as chairman of the Assembly Committee, which was responsible for carrying out the assemblies planned by last semester's committee. This committee also planned and co-ordinated the schedule for next semester's performances. A committee member checks to make sure details are complete the week before each assembly.

Because of the work of these three committees, greater school spirit is exhibited among the students. Much credit for our successful school activities should be given to these committees for jobs well done.

Organizations

One of Burbank High School's most active organizations is the Girls' League.

Twirp Week, the Tea for girls new to Burbank, and the weekly doughnut sales are but a few of the activities sponsored by this group. All of these projects are to raise money for clothes and personal items for the two war orphans supported by Burbank and Burroughs.

The Boys' League also sponsors many fine activities. Among these are the semi-annual assembly and a spring dance.

Each year the school benefits greatly from the time and effort contributed by each member of the Girls' and Boys' League.

Serve All

The Big "B", Burbank High's Lettergirls Club, is a very active campus organization. This club, which is a division of GAA, is made up of girls who are interested in sports and have lettered in GAA. Its activities include: sports nights, bowling trips, and playdays. As a service to GAA and the school, Big "B" holds cake sales, decorates the goal posts for games, and ushers at all school activities.

When you look up at the Verdugo hills and see a large white "B" looking out over the valley, you can thank the Letterman's Club. Around the first of the school year, it's the letterman's job to herd the sophomore boys up the hill to help with the white washing. The "B" is a symbol of our spirit and is an old tradition at Burbank High.

REPRESENTING THE Burbank YMCA, Kenny Bohn, Barbara Hunt, Jay Lintner, Joan Lundbeck and Gayle Savage are making preparations for their Sacramento trip in connection with the Youth and Government Model Legislature.

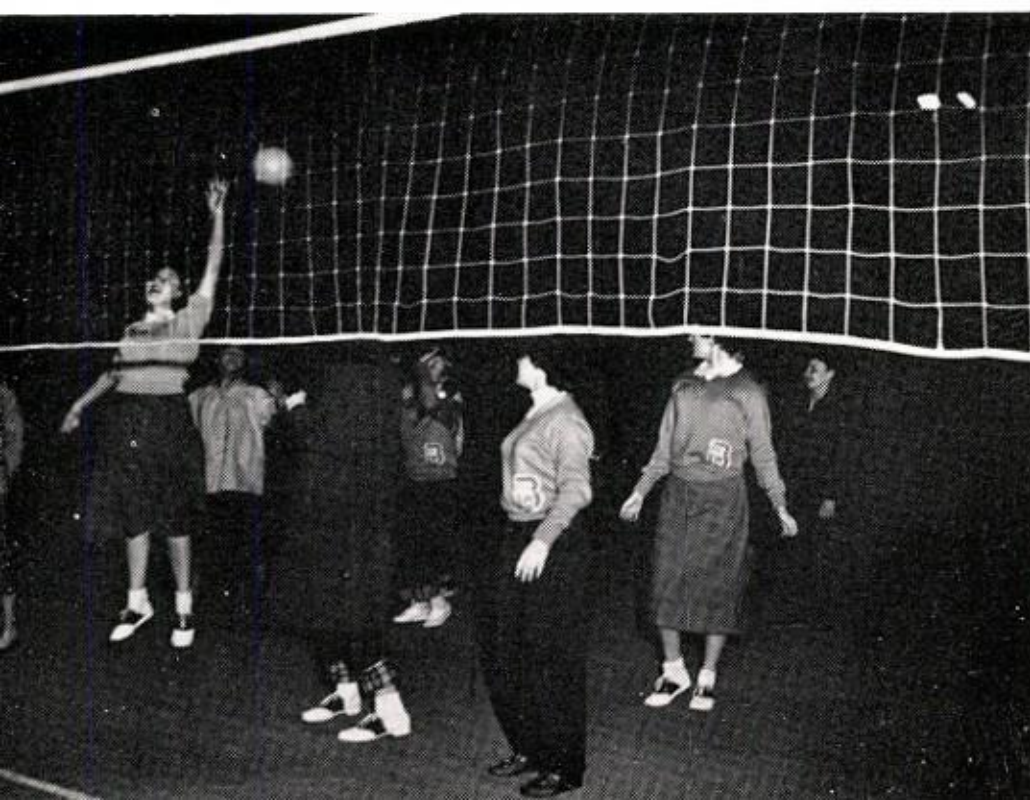

The YMCA clubs in Burbank are satisfying the spiritual, physical, social, and educational needs of many young people. At the high school age level, a well-rounded program provides constant activity and fun.

The Inter-Club Council is the co-ordinating group of all the "Y" clubs. Their job is to plan dances, carnivals, and projects in which everyone participates.

The individual clubs meet once a week for business meetings. Welfare projects, guest speakers, devotions, movies, and other items of interest are part of the regular program. Special activities including the Youth and Government Model Legislature in Sacramento, week-end camping trips, and an Easter camp at Catalina are enjoyed by all.

The Hi-Y and Tri-Hi-Y clubs of Burbank are very active and are constantly growing in size and spirit.

School Spirit Is Strengthened

If you have a full-fledged interest in photography, you meet the qualifications for membership in the Photography Club. The purpose of this club, which is sponsored by Miss MacDougall, is to broaden the knowledge of photography to interested students. Their active program includes an annual trip to the mountains, field trips, and progressive dinners. The Photography Club does an excellent job of taking pictures at the Aloha and Backward Dances each semester and at other school events.

During fourth period the walls of Room 202 echo with the sound of girls' voices blending in three part harmony. These are the members of Girls' Chorus who are singing under the direction of Mr. Boggis

and are accompanied on the piano by Sandra Batton. These girls are either enjoying recreational singing or training and gaining experience for A Cappella. They did an excellent job of singing with the A Cappella choir for the Christmas assembly.

"Scholarship for Service," is the motto and purpose of the Scholarship Club, which is sponsored by Miss Weinstock. This club consists of the students who maintain a high grade average. During the past year, they have kept the master bulletin board in the main hall up to date. The Scholarship Club's activities this year included the semi-annual breakfast, a trip to the Huntington Library, and tours of Occidental College and U.S.C.

"¿Como esta usted?" is the friendly greeting of a Spanish Club member. This club, consisting of third year Spanish students, is sponsored by Senora Utzman. In their monthly meetings, the members increase their facility to speak the romantic language fluently by giving skits, listening to Spanish records, and participating in Spanish games.

The Latin Club, consisting of second and third year Latin students, is sponsored by Mrs. Merrill. The students in this club strive to learn more about the customs and daily life of the Romans. In addition to enjoying the colorful Latin Banquet, the Latin Club attended the movie **The Robe**.

Some of the most valued things a person takes with him when he graduates from Burbank High are his three yearbooks, for they will be treasured through the years as a record of the fun, the activities, and the acquaintances he has made. That is why the CERALBUS staff has worked so hard this year to make this the best book yet.

Much of the credit must be given to the editor, Joan Beisang, who accepted the responsibility of leading the CERALBUS staff.

Alan Jackson, Clarice Lifquist, Joan Webster, Jean Stalker, and Joan Trapani are the other seniors who spent many hours outside of class on the book.

Working, learning, and assisting were the juniors Carolyn Jonas, Jay Lintner, Helen Clark, Joyce Crocker, and Mike Riley.

In addition to the staff itself, credit must be given to Mr. Fredricksen and his printing class, the photography class, the Executive Council for their help in the sales campaign, and Mr. Bishop for his fine photography.

However, not only must credit be given to these people, but also to you, the students, and to you, the faculty, for the CERALBUS is the story of Burbank High and you.

MEMBERS OF the photography, art, and finance departments who helped with the yearbook were: BACK ROW: Keith Redding, Ron Ross, Dexter Parks, Russell Siner. FRONT ROW: Karen Holmquist, Dolores Petroucco, Sharon Bushman, Jackie Della Porta.

Hi-Life Presents Current

MEMBERS OF the Hi-Life were: BACK ROW: C. Bowman, A. Dellinger, A. Arnold, S. Louchard, D. Pike, E. Fisher, H. Berger, Mr. Garapedian. FRONT ROW: E. Hopkins, L. Covert, C. D'Angelo.

The Hi-Life, our school newspaper at BHS, is published every other Friday in our print shop. Because of the improvements made in the paper during the past year, greater enthusiasm than ever before greets each bi-weekly issue when it is given to the student in his sixth period class.

The first semester of the year a new system was tested in the publishing of the paper. Instead of appointing one editor for the whole semester, the staff chose an editor for each edition of the paper, who was called "Editor of the Week." Occupying positions on the staff were Sheila Leonard, page one editor; Pat Brennan, page two editor; Wanda Bartoletti, page three editor; and Roger Harkness, sports editor. Reporters were; Punky Evanson, Myrtle Weeks, Anne Dellinger, Bob Coxe, Marilyn Gallaway, Irene Gregry, and Richard Howell.

Advisor to the Hi-Life is Mr. Leo Garapedian, who has the task of trying to untangle paper problems, and who assists and advises the staff. Under his direction, the students have learned many of the basic facts about journalism, and they have prepared themselves for their future work by practical experience in writing for the paper and meeting deadlines.

A much larger Hi-Life staff greeted the second semester, and a return was made to the former system of putting out the paper. Editor was Marilyn Gallaway, and assisting her was Elaine Latin, page one editor; Pat Brennan, page two editor; Myrtle Weeks, page three editor; Richard Howell, sports editor; Dave Pike, cartoonist; and Eleanor Davis, posters. Serving as reporters were Ann Arnold, Harriette Berger, Lois Covert, Bob Coxe, Anne Dellinger, Roger Harkness, Elaine Hopkins, Suzanne Louchard, Cora Dicorato, Morris Parker, Ronald Ross, Elva Fisher, and Larry Levine.

On the news staff were Punky Evanson, Jincie Campbell, Sheila Leonard, Wanda Bartoletti, and Marjorie Wood.

Two of the articles appearing in Hi-Life this semester were "Arcade Assignment" and "Burbank Offbeat." These articles gave the gossip and social news at BHS. Other favorite items included "Car of the Week", where a description was given of one of the cars driven by a BHS student, and "Teacher of the Week", where a brief biography was given about a favorite teacher.

LOOKING OVER past editions of the Hi-Life are: BACK ROW: R. Howell, R. Harkness, M. Gallaway, C. Dicorato, S. Leonard; FRONT ROW: E. Latin, P. Brennan, W. Bartoletti, M. Weeks.

On Stage,

"Years Ago" by Ruth Gordon was the senior play of the Winter Class of 1953.

"Years Ago" is an appealing comedy, full of the warmth and humor of an old-fashioned family in Massachusetts. Ruth Jones, played by Margie Burres, decides she has artistic temperament and aspires to be an actress to the great surprise of John Ives, who plays Ruth's beau, Ilene O'Rell, Ruth's mother, and Dan Roush, who plays a friend of the family. Judy Bloomfield and Barbara Barnfather, as Ruth's girl friends, are charmed.

However, Ruth's father, Joe Kernahan, has different ideas. As a retired sea captain and a lover of nature, Father disapproves of actresses and insists that "There's nothing near so benefittin' as bein' a physical culture instructor." Mr. Bagley from the YMCA, played by Dale Bush, and Miss Glavin, played by Carolyn Baker are presented by Ruth's father as shining examples.

Ruth remains determined to have her stage career despite her father, and the plot thickens.

"Years Ago" was directed by William Carden. Behind the scenes staff included Deanna Watkins, prompter; Joanne Ruckman, stage manager; Tina Scarpellino and Fran Goodman, props; Sheryl Bruinslot, music; Phyllis Ingersoll and Darlene Damate, make-up; and Barbara Strout and Darla Larson, sound effects. Bill Davis was in charge of lighting. The stage crew was composed of Al Goodman, Dave Pike, Mel Scholl, Phil Worchester, and Sonja Spitzer.

Mystery, comedy, and drama shone from the footlights as the summer seniors presented "Ramshackle Inn."

Belinda Pryde, an old maid librarian, played by Carol Best, saves her money for twenty years to buy a hotel so that she can meet interesting people. She purchases a strange tumble-down shack by the ocean, and meets many amusing people - living and dead. Ghosts, secret trunks, and thunderstorms add to her extraordinary experience.

The mystery begins as desk clerk, Jim Woods, murders FBI agent Bill Stewart. Player, Dick Speer, is next on the list to be killed. Lee Adams, the town constable, Sandy Kamins, FBI agent, and Lee Stoddard work against crime and bring about an exciting ending. Terry McCormick, Bruce Johnson, Elaine Latin, Carol Bousquet, Barbara Strout, and Dick Isakson add to the cast and the excitement.

"Ramshackle Inn" was directed by William Carden. Barbara Kryst was assistant director. Marilyn Maxey was in charge of costumes and make-up; Sherry Madden and Mary Jane Snick took care of props. Prompters were Barbara Kagel and Betty Cusumano.

Bill Davis did the lighting effects and Gerald Walls had charge of the sound effects. Miss Wolfson supervised the stage crew in making the scenery, and Gail Paul handled the publicity.

THE FINAL scene calls back dancers
and the A Cappella Choir.

The orchestra began to play, the curtain rose, and the audience settled back in their seats for a delightful trip through the world of operetta. Thus began the 1954 "Showcase of Shows."

Selections from "The Desert Song", "Showboat", "Kiss Me Kate", and "Girl Crazy" were perhaps the most familiar.

Vicki Arnold sang a duet with Richard Bourguignon; the popular "Indian Love Call".

This number was followed by "Doin' What

Comes Naturally", a novelty tune which was well done by Carolyn Merta.

"Brigadoon" brought the show to a climax. In gay Scottish costumes, the modern dance girls gave their interpretation of the music sung by the chorus.

A big round of applause goes to the A Cappella, the orchestra, the dance class, Miss Wolfson, and Mr. Boggis for the wonderful job they did in making "Showcase of Shows" a tremendous success.

THE DANCERS of "Brigadoon" do the "Highland Fling".

VENITA AMENT sings the "Italian Street Song" accompanied by the A Cappella Choir.

Music Groups Add Color and

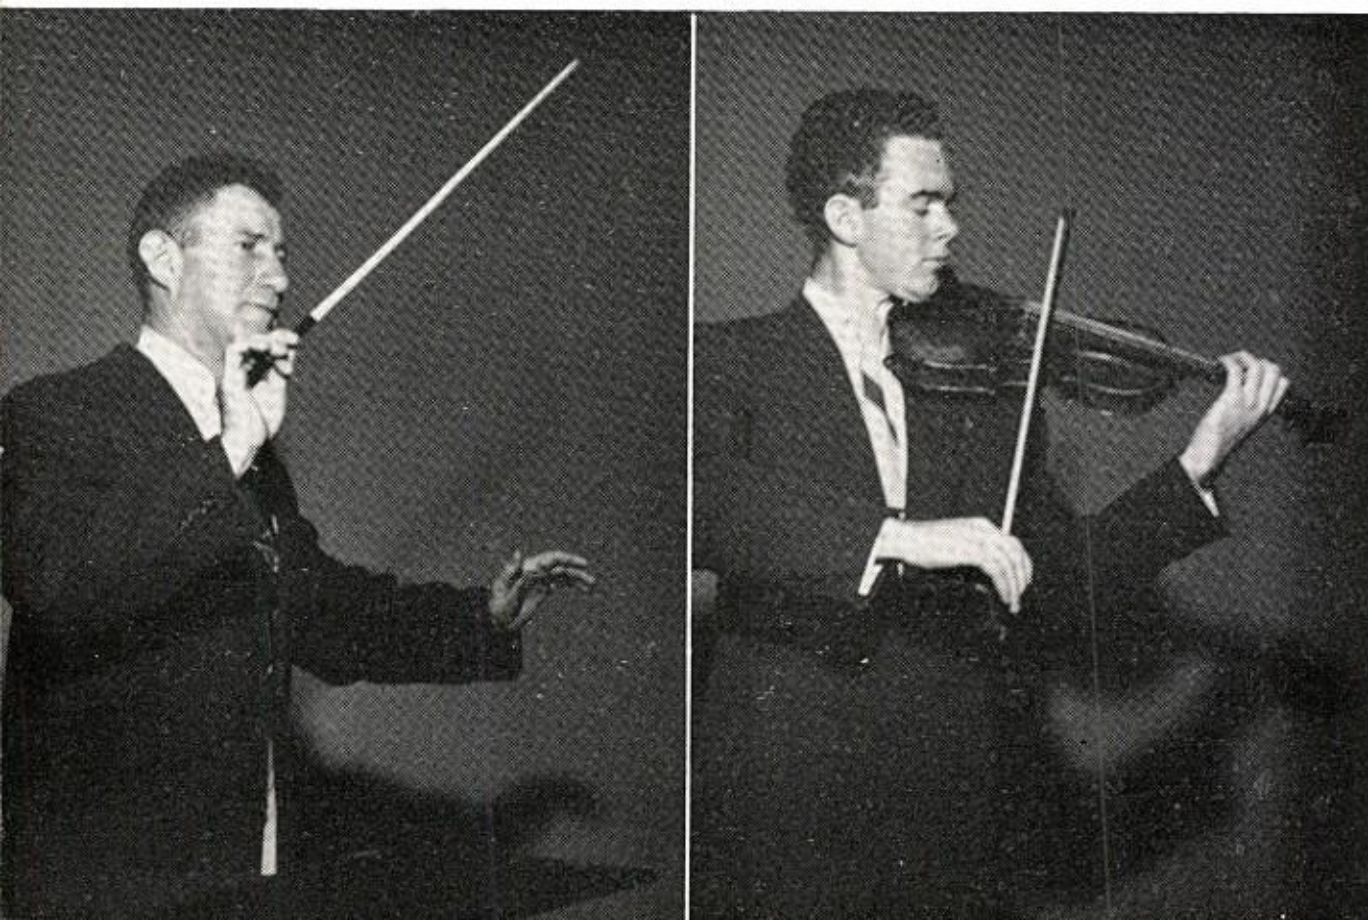

The Burbank High School orchestra plays an important part in many of the school's activities.

The orchestra has turned out many fine programs under the able direction of Mr. Boggis. Talented Max Hobart was the concertmaster this year.

The orchestra performed in the "Showcase of Shows", which was a combination of the Dance Performance and the A Cappella program and took the place of the annual operetta. Not soon to be

forgotten are the fine assemblies which they presented to the student body. Musical assistance was also given at the senior plays and at the winter and summer graduations. As everyone knows a graduation wouldn't be complete without the orchestra to play "Pomp and Circumstance".

As a result of their fine musical talent and the many hours of practice by individuals and as a group, the orchestra has been doing an excellent job.

FAR LEFT: MR. BOGGIS, director

LEFT: MAX HOBART, concertmaster

LEFT: The Winter officers of the A Cappella were Luther Wylie, Marti Griffin, Don James, and Carol Hymer.

RIGHT: The Summer officers were Marti Griffin, Luther Wylie, Dick Bourguignon, and Carol Hymer.

The A Cappella Choir is a group of which Burbank High School can be very proud. Each member has contributed to the success and fine performance of the Choir.

Directed by Mr. Boggis and accompanied by Caroline Trever and Catherine Carlson, the A Cappella has given many hours of pleasure on radio, television, and at benefit performances.

Remember the swell A Cappella assembly? The

choir did its usual good job in this assembly, one which is always looked forward to with great anticipation by the students.

The main event of the year was the combined A Cappella-Modern Dance program, a performance not soon to be forgotten by the people of Burbank.

The very name A Cappella stands for unselfish hours of devotion to music on the part of every person in the group.

Morning and afternoon rehearsals two days a week made possible the fine showing of the Drill Team this year. Their blue uniforms, white pom-poms, and original routines were a great credit to both Miss Wolfson, the director, and BHS.

Under the able direction of Mr. Newell, the band made a fine showing for itself and Burbank.

Even when our teams were behind, the student body came through with the great backing that was needed to bring our school back to the top. Without the able leadership of our yell leaders, the spirit could not have been as excellent as it was this year. They did a magnificent job and deserve the praise of the student body.

During time-outs at the games our spirit was boosted by the music of the band and the routines of our song leaders. At the end of every game, won or lost, the Alma Mater was sung by the students.

Through the combined efforts of our Drill Team, Band, yell leaders, and song leaders, BHS spirit was good this year.

CLOCKWISE TOP: This year's song leaders were M. Sivula, D. Trout, F. Bragg, S. Powell.

Dear Mrs. Reuben,
I want to wish you all the luck and happiness you deserve for the years to come. Life Science has proved to be a very interesting subject this semester and this is partly because you were teaching it. I know next July will be a very happy and eventful month for you and I wish you heaps of luck.

Sincerely,
Marjorie

Dear Mrs Reuben:

Being in your class this semester has been an honor. I haven't found many women teachers who I have been happy with. You have given confidence & assurance to many in your classes. Science being a hobby of mine I should pass this on to the next girl to let her best of everything just

I may return to you as a Biology student. Well, I suppose I should pass this on to the next girl to let her best of everything just

The 1953 Bulldog Varsity Team showed some excellent ball handling and line play. Sparking the Dogs throughout the season was Calvin Clark, varsity lineman, who was voted Burbank's most valuable player. Numerous times this hard-blocking center led the Bulldogs on their march down field. Dick "Moose" Maske who charged his way through many a tough line to score was voted varsity's top fullback.

Quarterback Claude Dunning called the plays during the major portion of the season. Forming the pocket for Dunning's passes were the Burbank line-

men Ralph DiBari, Jerry Giddens, Dick Williams, Angelo Brovelli, Lance Hays, Lee Adams, and Dave Phillips. Fleet-footed Jim Graves and Mike Mersola went for many long gains during the season.

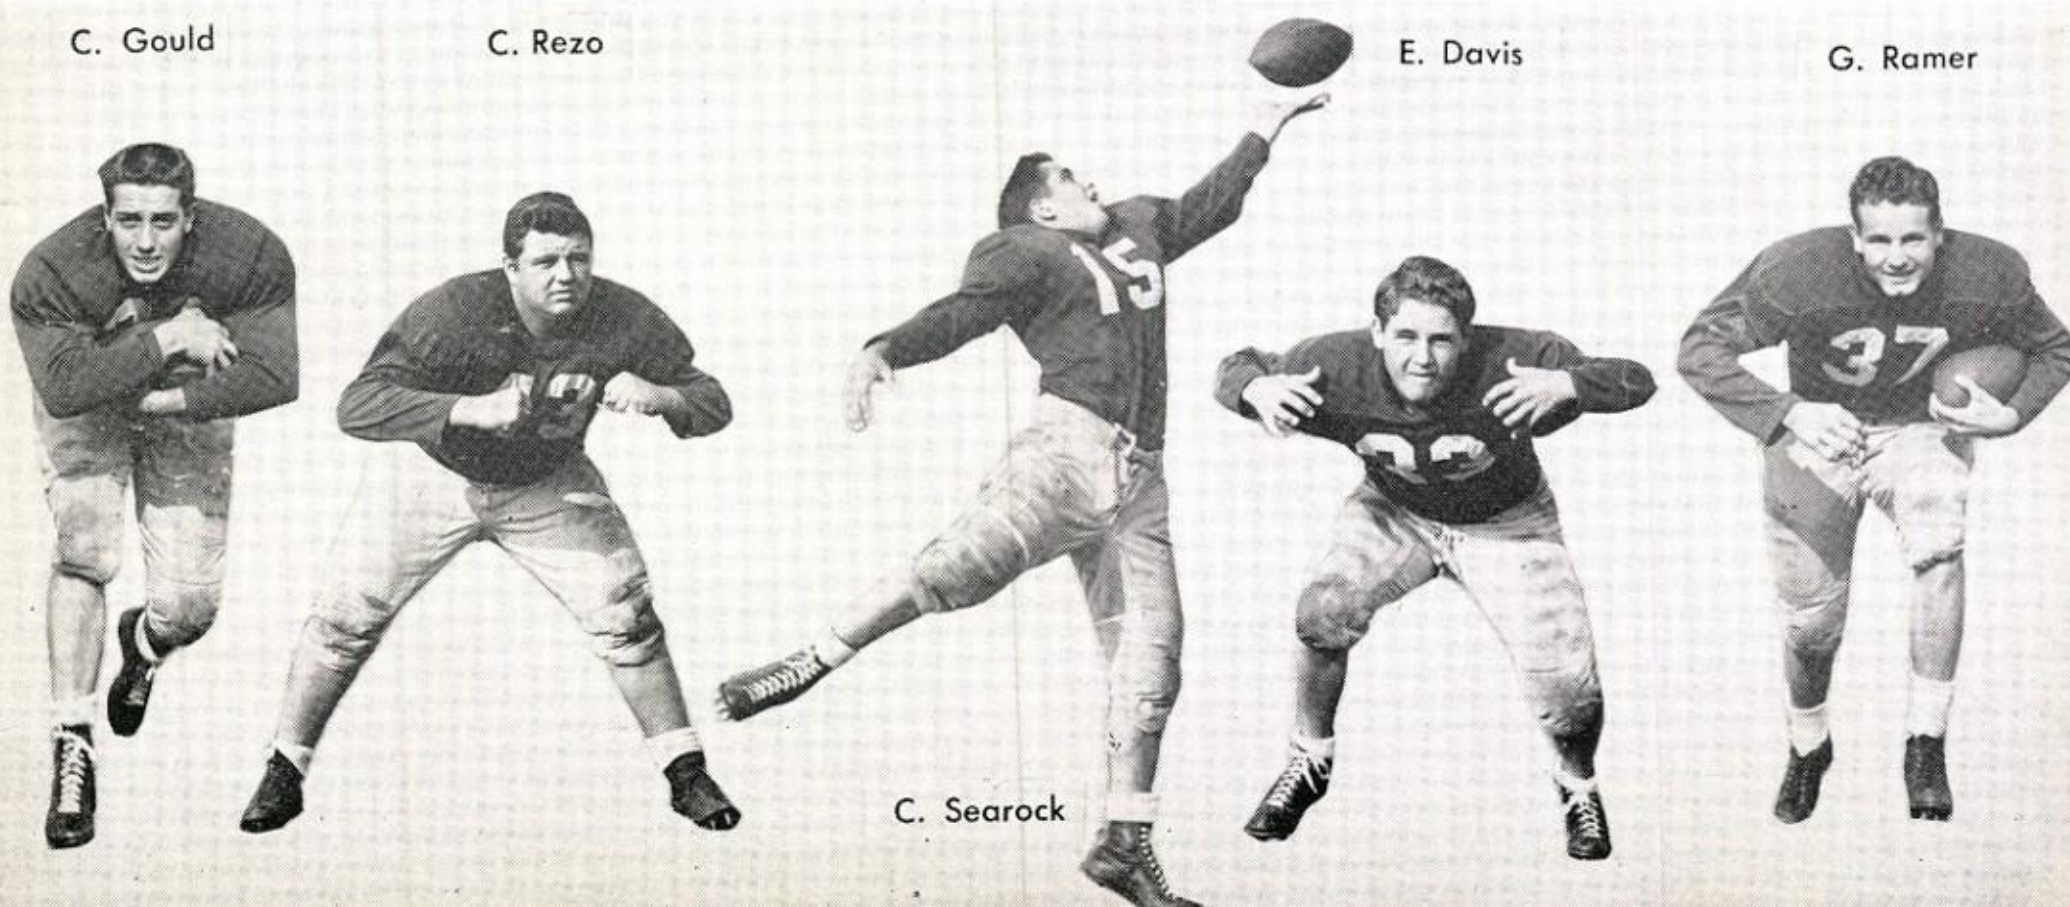

Often in the game was back Glen Ramer who made some excellent sweeps and did good defensive work. Other standout players were Doug Gilmour, Art Morton, Eugene Davis, Charles Searock, Charles Rezo, Frank Steele, Bob DeLand, Bert Frescura, and Charles Gould.

On the coaching side, the Blue and White eleven was headed by Maurice Wiley and assistant coach "Pete" Peterson. '53 was Wiley's first year as varsity coach, while Peterson has been assistant for several years. Team managers August Goodman and Bill Davis handled their job efficiently, and the players were kept well-equipped.

The Bulldog's practice season ended with one win, one loss. The loss was suffered at the hands of the Fillmore Flashes. At one point in the game Mike Mersola's sharp passing and good running led the

Dogs in a forty-five yard march before a fumble gave the ball away. Lee Adams and Jerry Giddens played a fine game at tackle. The Flashes proved too much for the Bulldogs, though, and the final score was 13-0.

The Burbank Squad was victorious over the Canoga Park Hunters in their second encounter. The game was never in doubt as the Wileymen scored in the first quarter. The end sweeps of Jim Graves, coupled with a strong line proved too much for the Hunters. The score at the final gun was 20-6.

"Just Look

Displaying tremendous spirit during the entire season the Bulldogs finished conference play with a one win — five loss record.

Our hardest defeat came at the hands of the Covina Colts. The heavier, faster, and more experienced Colts blasted the Dogs off the field with a top heavy score of 45-12. The brightest moment of the game for Burbank rooters was when Mike Mersola passed to Ralph DiBari for a touchdown.

During the second league game Hoover scored a quick touchdown in the opening minutes after Burbank fumbled deep in their own territory. Timely tackles by Glen Ramer, Bulldog defensive back, stopped many other scoring attempts. Dick Maske and Calvin Clark played a good defensive game, but the final score was Hoover 13, Burbank 0.

The Bulldogs emerged victorious from their third league encounter. Air power featured the 12 to 6 victory over Montebello. Mike Mersola hit Ralph DiBari with a 28 yard aerial in the first quarter to give Burbank an early 6-0 lead. Later Claude Dunning passed to DiBari for a 41 yard pass play which chalked up the winning touchdown. Outstanding linemen during the game were Cal Clark, Dick Williams, and Angelo Brovelli.

TOP LEFT: Mike Mersola with the ball cuts right to hit the opponents' line for another good gain led by Burbank teammates.

TOP RIGHT: Glen Ramer, Coach Wiley, Bill Stewart, and Cal Clark rejoice over Burbank's defeat of Canoga Park, 13-6.

The Bulldogs lost to the South Pasadena Tigers the following week by a score of 13 to 0. Outstanding player for the game was fullback Bert Frescura. Bert went for 104 yards in fourteen carries. The Burbank-Glendale game was a close encounter. The Blasters won by one touchdown, score 7-0.

As always, the biggest game of the season was the annual Burbank-Burroughs classic. Both teams played brilliant defensive and offensive ball in the fifth game of the series. The Bulldogs fought their way inside Burrough's ten-yard line twice, only to be stopped by the Burrough's hard-charging line. The Bulldogs had possession of the ball most of the time but failed to score. The game ended with Burroughs winning 7-0 in the hardest fought rivalry of the year.

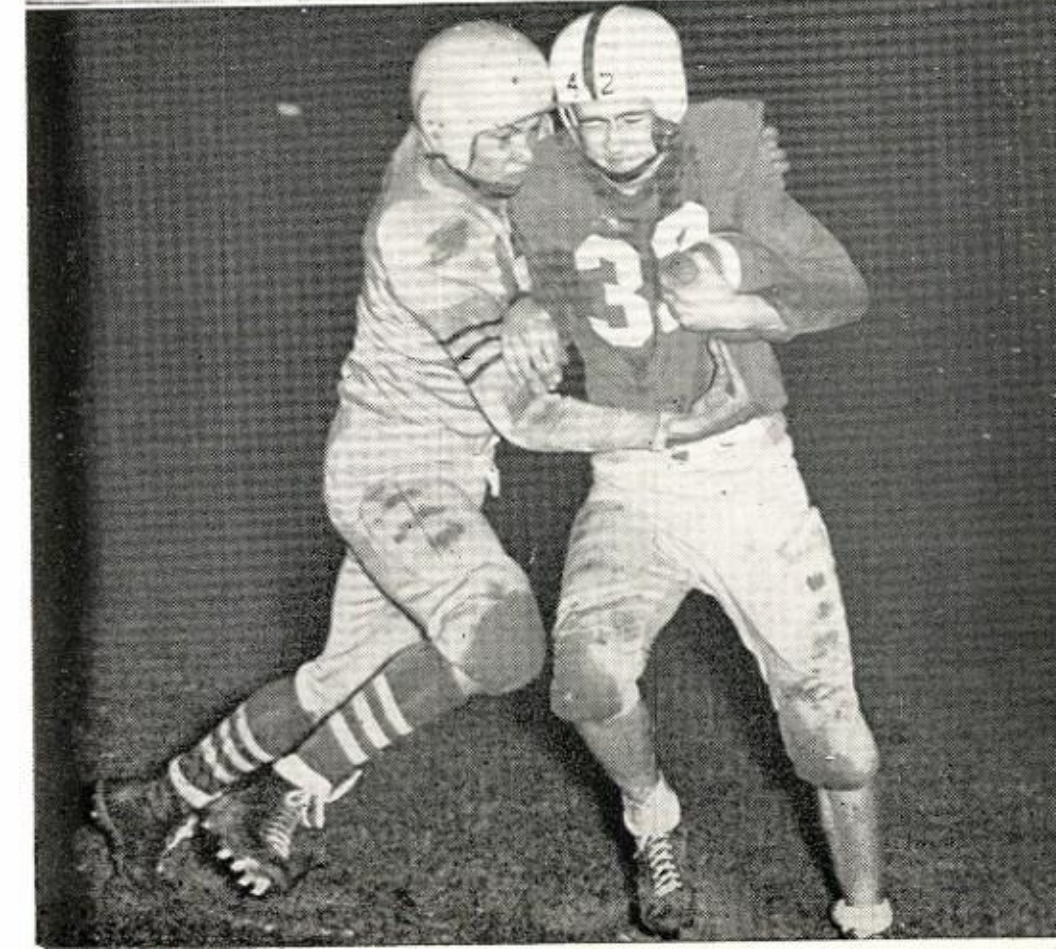

This season was not Burbank's best but many of our games were close and exciting. The boys played clean, hard football and BHS' students were proud of their team.

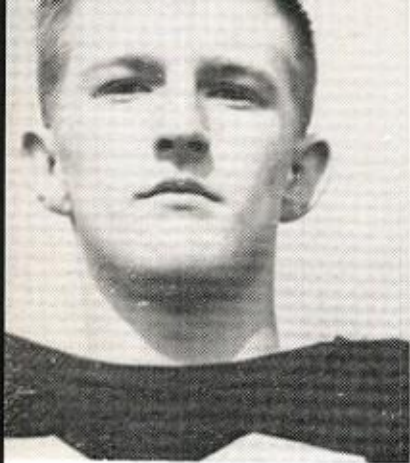

TOP LEFT: The scoreboard of the Montebello game was a joyous sight to all the rooters that traveled the many miles to witness the thriller.

Bullpups

This year's BHS Bee football team showed excellent promise for next year's varsity lineup. The team was green and slow starting. Although they only won one game, only one touchdown was scored against them in the second half of any of their ball games. The Pups exhibited a hard-hitting line and an effective backfield. Bill Rezo paced the Pup's passing attack. Many of Rezo's passes clicked to ends, Fran Urry and Herb Stout. Running backs, Chuck Campbell and John Ferrini drove for the majority of the Burbank gains. Fred Furry called plays while making some good ground gainers, himself. Shields showed excellent form in many end sweeps. On the starting line, besides ends, Urry and Stout, were guards, Terrill Hutton and Bruce Wampler, flanked by tackles Dick Bourguignon and Jay Staff. Their excellent blocking paved the way for many Burbank gains. The centering was handled by Norman Manor.

John Ferrini was picked as best back on the team along with teammate and guard, Terrill Hutton as best lineman. Ferrini's favorite spot was the center of the opposing line. Rezo's passing, along with some excellent quarter-backing sparked the Blue and White offense.

The team ran most of their plays from a tee formation. Most of the passing attack was carried by back Bill Rezo. The end sweeps were handled by John Ferrini. Chuck Campbell's drives went over for many gains. Team captain, Fred Furry, was outstanding as a runner and ground gainer. He hit the center of the line for his best gains. Defensively, Furry and Ferrini were outstanding. Both boys hit hard and fast and stopped many enemy plays. Hard-hitting lineman Dick Bourguignon was standout at his tackle spot. Guard Terrill Hutton broke through often to prevent gains through the lines, and lineman Ron Whitt played excellent ball both on offense and defense. Coach Brewer looks for a good team next year.

Gamewise the team boasted an excellent second-half record. The lightweights started off the year with a win over Canoga Park. The Pups came out on top with a score of 19-13. Their second game the Pups tied the Covina Colts. The Blue and White Bees dropped their third tiff to the Hoover lightweights 21-0. Montebello followed with a twenty-five point score against the Pups. South Pasadena was the second tie of the season; 14-14 was the

final score. The worst defeat of the season was the Glendale upset. The Dynamitros downed the Pups 33-0. Closing the season against Burroughs our Bee team fell 19-0 in one of their hardest fought battles. Coaches Brewer and McMurry were quite pleased with the way the boys pulled themselves out of some tough situations. They played good hard football, and sportsmanship was always excellent.

Sportsmanship And Spirit

Paced by co-captains Terry Donovan and Danny Van Horst, the Burbank bulldogs fought their way through a fairly poor season, ending up in a tie with Glendale for sixth place. Although the Dogs had a good set shot and a fighting spirit, lack of height on rebounds was sighted as the team's main handicap.

Van Horst won second string honors on the annual all-league team, while Donovan and Bob Adams were awarded honorable mention.

Van Horst closed the season with 107 points in 12 league games for an 8.9 average, while Donovan notched 102 digits in 11 league games for a 9.3 average. Adams, while bucketing 76 points, also found time to be the team's ace rebounder.

In the Bee division the Bullpups regained Bur-

bank's basketball reputation by winning the league championship. The Pups sported a 30 game win streak (six of which were held over from last year) before having it snapped by John Burroughs the last game of the season.

Burbank High's Richie Kucera and Dave Jefferson made the all-league Bee team, while Tom May won a second team position and Bill Rezo ranked among those receiving honorable mention.

The varsity started out the season in the win column by downing Canoga Park 45 to 34. Terry Donovan was high point man for BHS with 15 digits.

The Bullpups began on their long win streak by defeating Canoga Park 47 to 28. Kucera scored 14 points while May bucketed 13 counters.

The Pups also scored their second seasonal victory by defeating Eagle Rock, 51-43. Jefferson tallied 17 points.

The varsity team was cut down by San Fernando 37-61, though Van Horst came through for 14 points.

Kucera led the Bees to their third victory by scoring 20 points against San Fernando.

Coach Roy Lockwood's varsity boys came through on the next three games, defeating Verdugo Hills, John Muir, and Redondo High, but then dropped five games before getting back in the win column by defeating Hart.

The Bees continued to run wild, winning all of their practice games. Richie Kucera scored 20 points against Verdugo Hills. Dave Jefferson bucketed 14 points against John Muir while Jim Smith accounted for 12 more tallies. Jeff was high point man more than once, scoring 12 points against Redondo, 20 points against Fillmore, 12 points against Hart and 20 more against Beverly Hills. Kucera scored 19 digits against Alhambra, 16 points against Notre Dame and 16 tallies against Beverly Hills. Tom May collected 12 tallies from Hart.

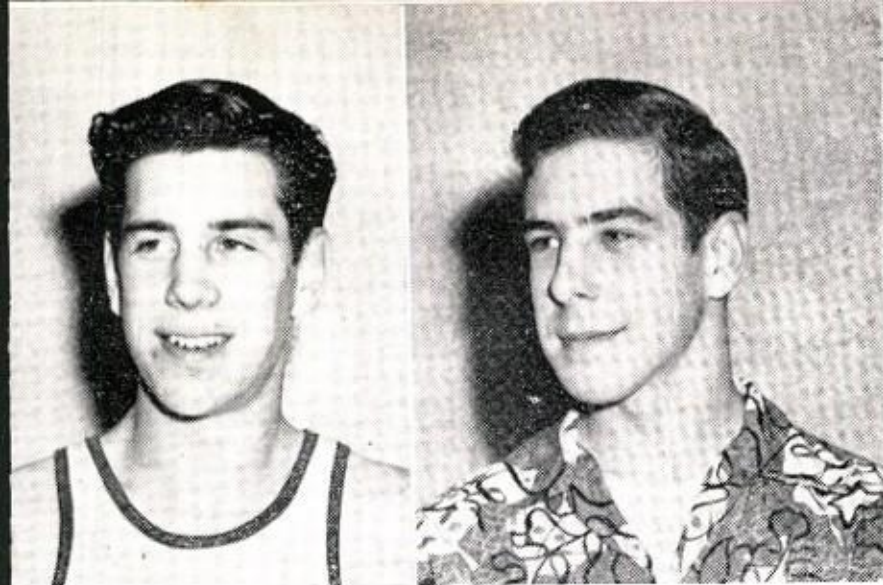

The varsity opened league play against Covina, losing 38 to 49. Ron Huber was high point man with 9 digits. The second league game was lost to Hoover, 37 to 70. Terry Donovan collected 12 tallies. Both Bob Adams and Ray Alba were out of the Covina and Hoover games with injured feet, leaving the team without tall rebounders.

BHS broke into the win column by edging out Montebello in a close contest, 47 to 42. Danny Van Horst led the way with 24 points.

After the Montebello game, BHS hit a losing streak. South Pasadena beat the Dogs 50 to 26. Glendale beat the Dogs with Van Horst bucketing 12 digits. Although BHS was up for the Burroughs game, the team was downed 40 to 60 with Donovan accounting for 12 points. Covina edged Burbank out 47-48. Hoover came out ahead 64-55 in spite of Adams scoring 22 and Van Horst scoring 17. Montebello then defeated the Bulldogs 46-37.

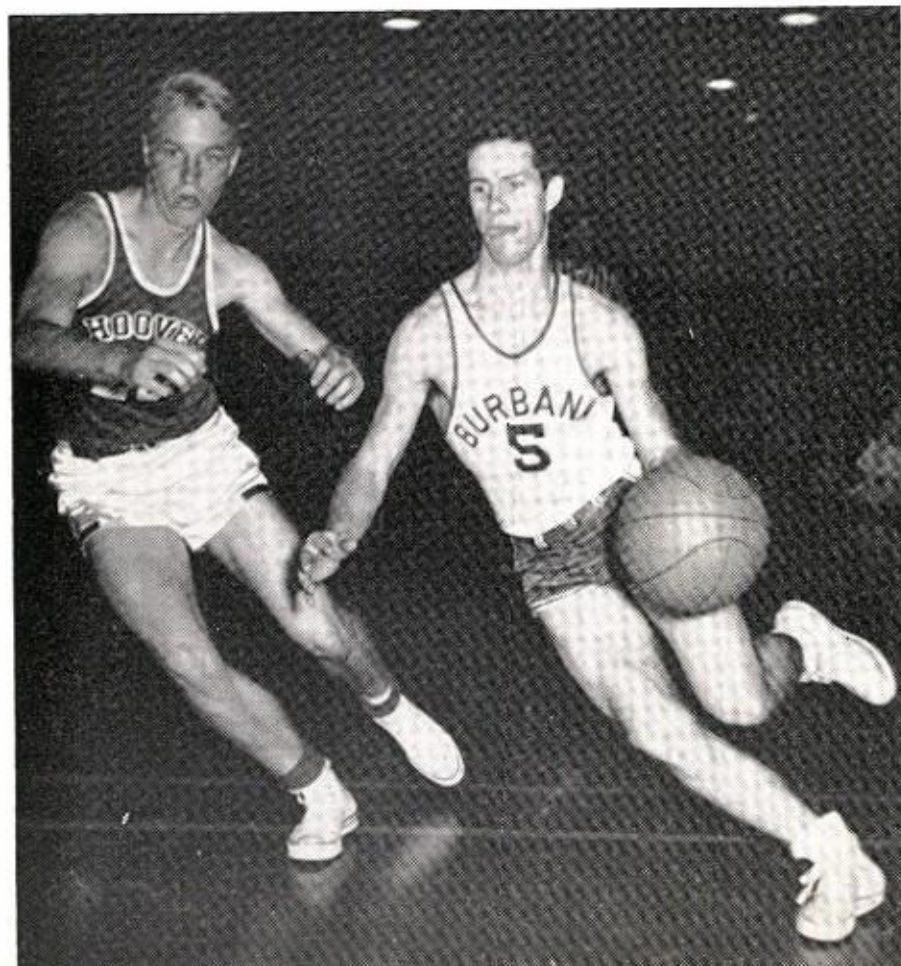

In the South Pasadena game, the Bulldogs were leading 43-40 with 30 seconds left in the game, when

the Tigers scored a field goal. Then with three seconds left, South Pas. sunk a 35-foot desperation shot to win 44-43. High point man for BHS was Donovan with 16 points.

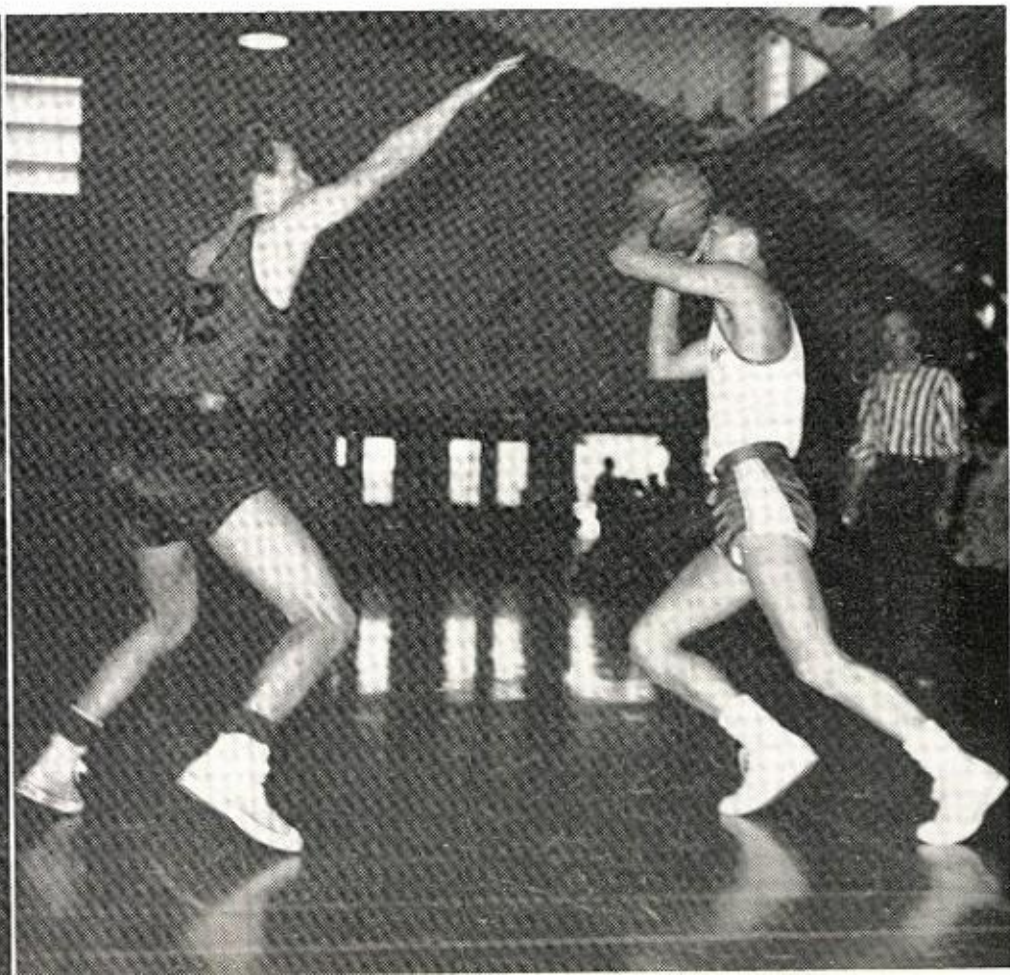

The Dogs came through for their second attack on the win column by defeating Glendale, 41-39 with Donovan scoring 16 tallies.

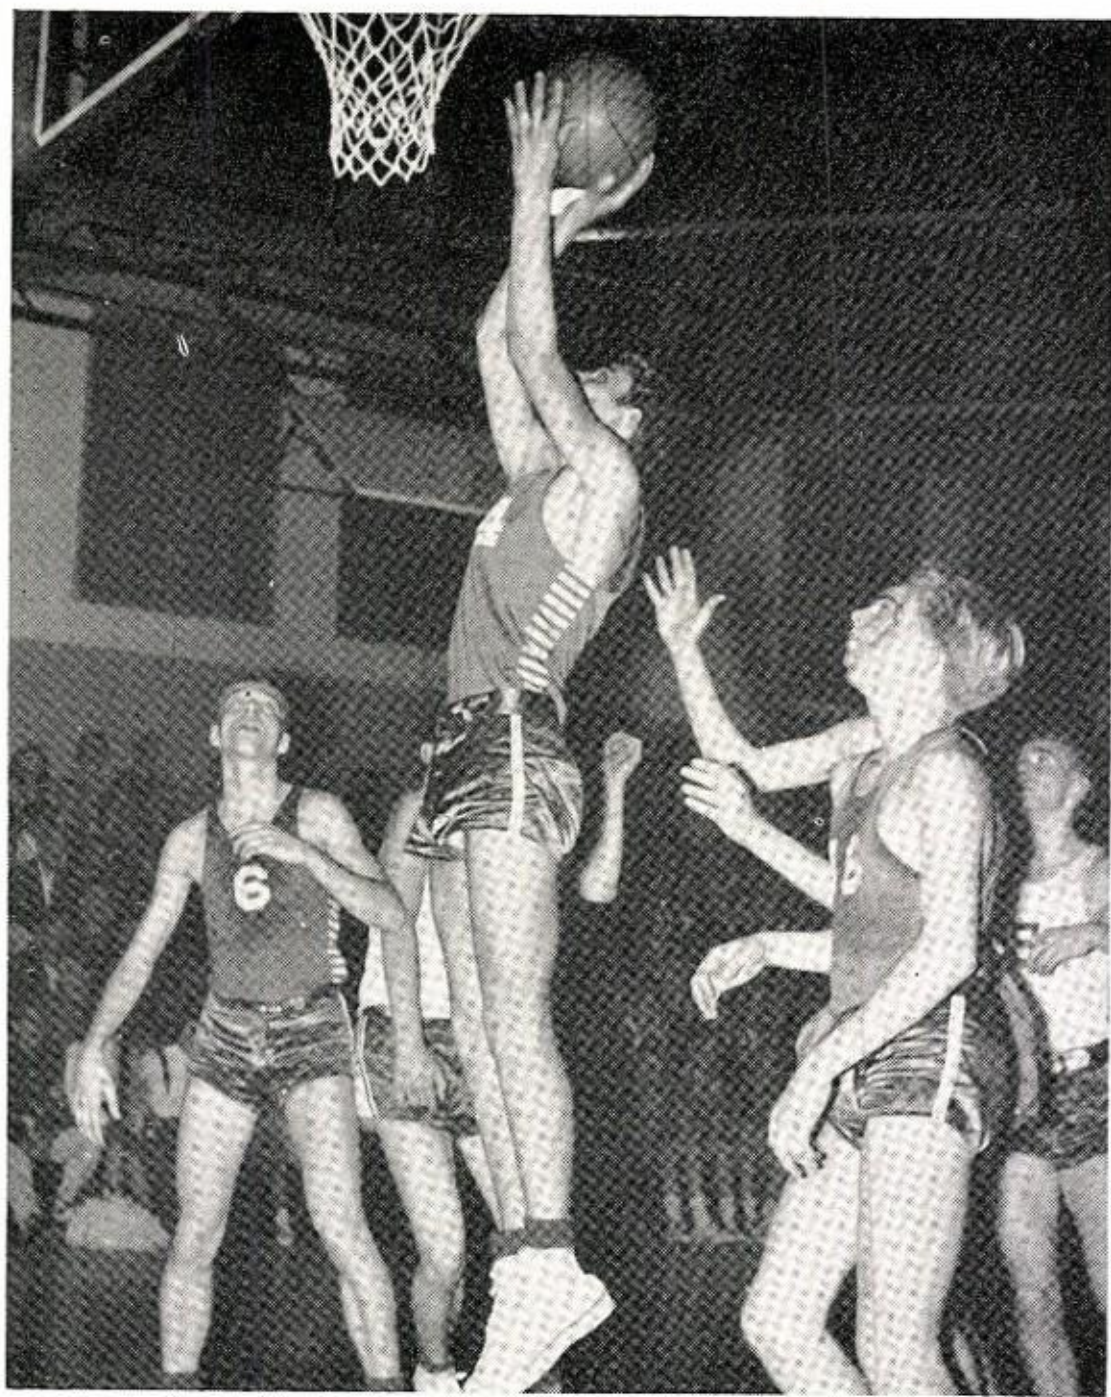

BHS ended the season by losing a high spirited game to the cross-town rivals, Burroughs, by a score of 44-40.

Coach Peterson's boys, going through their practice games undefeated, proceeded to do the same with their league games. Bill Rezo scored 13 of the Pup's 42 points against Covina's 30. Jefferson led the way for a 61-48 win over Hoover with 17 points. Montebello fell next, 60-45. South Pas. went under 68-40, with Jeff hitting for 22 points. Four games and four wins later, Kucera hit for 22 points against Hoover, downing them 56-42.

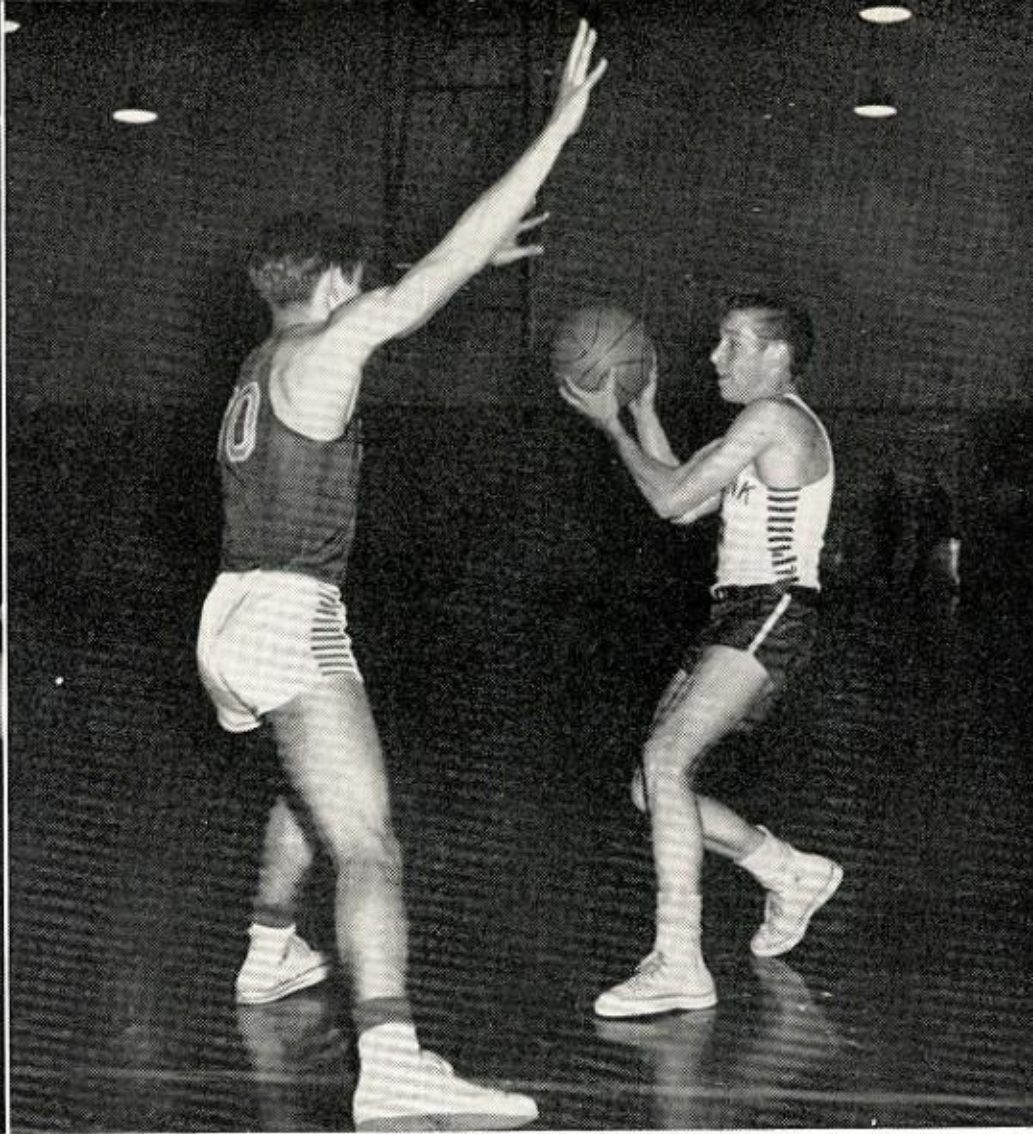

The Pups continued to work as an outstanding team, running their straight win streak up to 30, until John Burroughs' high spirit finally broke it in the last game of the season, 52-44. The Pups averaged 54 points per game in league play while holding their opponents to 40.1. Kucera averaged 14.4 in league play, while Jefferson averaged 12.1. The Pups wound up winning the league championship with a 11-1 slate.

Coach Maurice Wiley's flyweights ended up the season this year with a six-win — five-loss slate.

After defeating Canoga Park 30 to 11, the lightweights were battered by Eagle Rock 41 to 82.

The Cees beat San Fernando next, 29 to 10 only to be beaten by Verdugo Hills 32 to 38.

The mighty mites got hot for their next four games, defeating Loyola 22 to 20, Notre Dame 26 to 10, John Muir 53 to 23, and South Pasadena 37 to 35. Their fire was put out by Covina, 26 to 33,

and Montebello, 42 to 57.

The Cees ended up the season by losing a tough battle against John Burroughs, 15 to 23.

Spark plugs for the lightweights were Rick Hanson, Jerry Cornell, and Bill Palmer, who were constantly on the starting five.

The flyweights, who played an average season, hope to improve next year with the addition of some of the up-and-coming Dees such as Henry Leichtfried.

Even though not successful during the major part of the year, the Bulldog track squad replaced many track records and was well represented in the CIF and State track meets.

Senior Jim Graves dropped the 180 yard low hurdles record from 21.9 to 19.5 seconds and the quarter mile record from 50.5 to 49.5 seconds.

Senior Wally King began the season in the high hurdles, changed to the 880, and concluded the season in the mile, doing well in all three events.

Senior Alan Jackson carried the quarter through the first of the season, nabbing a first and two seconds in the first three meets.

Junior Irv Sherwood ran a 2:05.9 in the 880 for his best time, plus being top dog in the Cross-country.

Tom Jones, another junior, consistently took first in the high hurdles and placed in the lows. Tom

tied for second with Wally King, behind Graves, for varsity high-point man of the season.

Dave Slausen, running a little over five minutes, showed promise for next year's mile.

Carrying the brunt of the sprint attack was senior Dan Williamson, running 22.8 in the 220 and 100, and junior Ron Starr, running 10.3 in the century.

The best sophomore prospect of the team was Don Anderson.

In the field events were: pole vaulters, Frank Steele and Don Brown; shot putters, Doug Ward (who consistently heaved the iron ball over 50 feet) and Paul Ward; high jumpers, Mike Johnson and Duane Graham; and broad jumper, Wally King.

The Bulldog relay team consisted of Alan Jackson, Dan Williamson, Duane Baumgartner, and Jim Graves.

Distance runners were Cope in the 660, and Larry King in the 1320. Both boys made a very fine showing.

Richard Bourguignon and George Trabilcy made

One of the most outstanding members of the Cee track squad was pole vaulter and hurdler, Bill Palmer. Palmer, who was never defeated in the pole vault, cleared 11' 6", missing the school record by a narrow margin. In the hurdles, Palmer consistently took first place.

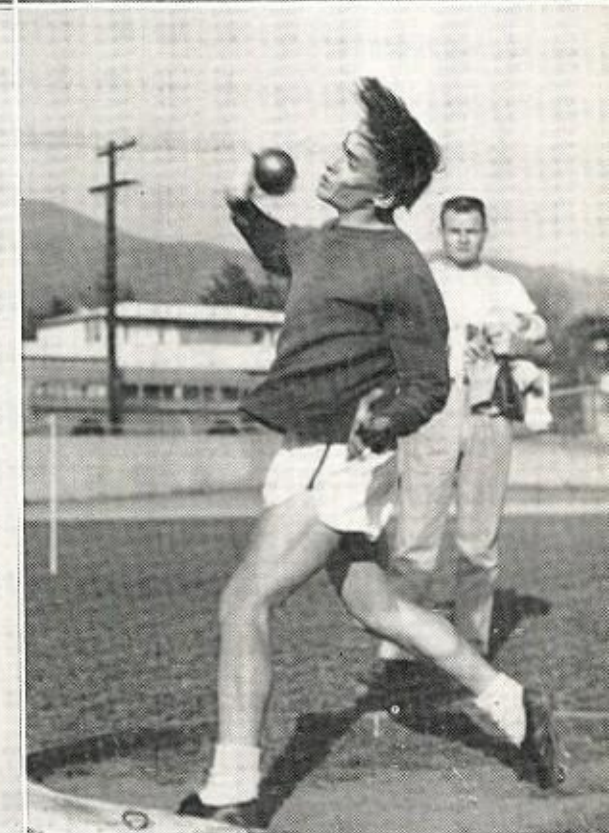

Vieing for top honors was sprinter Gene McMillan. Gene covered the 100 yard dash in 10.9, continually placing first.

Two other runners who did their share of scoring were Bailey in the 180 and Bill Watts in the 660.

Although Dave Pike got a late start, he cleared 5' 4" in the league finals for a fourth place medal.

In other field events, Amorino consistently placed in the broad jump, Phil Bills placed more than once in the shot put, and Bob Frescura and Jerry Cornell helped Palmer in the pole vault.

The seldom defeated Cee relay team consisted of Bailey, Phil Bills, Bill Murrey, and "Little Gene" McMillan.

Varsity Team Puts

Burbank High's baseball team had an average season this year, having only two returning lettermen, Chuck Rezo, who handled the homeplate spot as catcher and acted as the team's sparkplug, and short stop, Bob Adams.

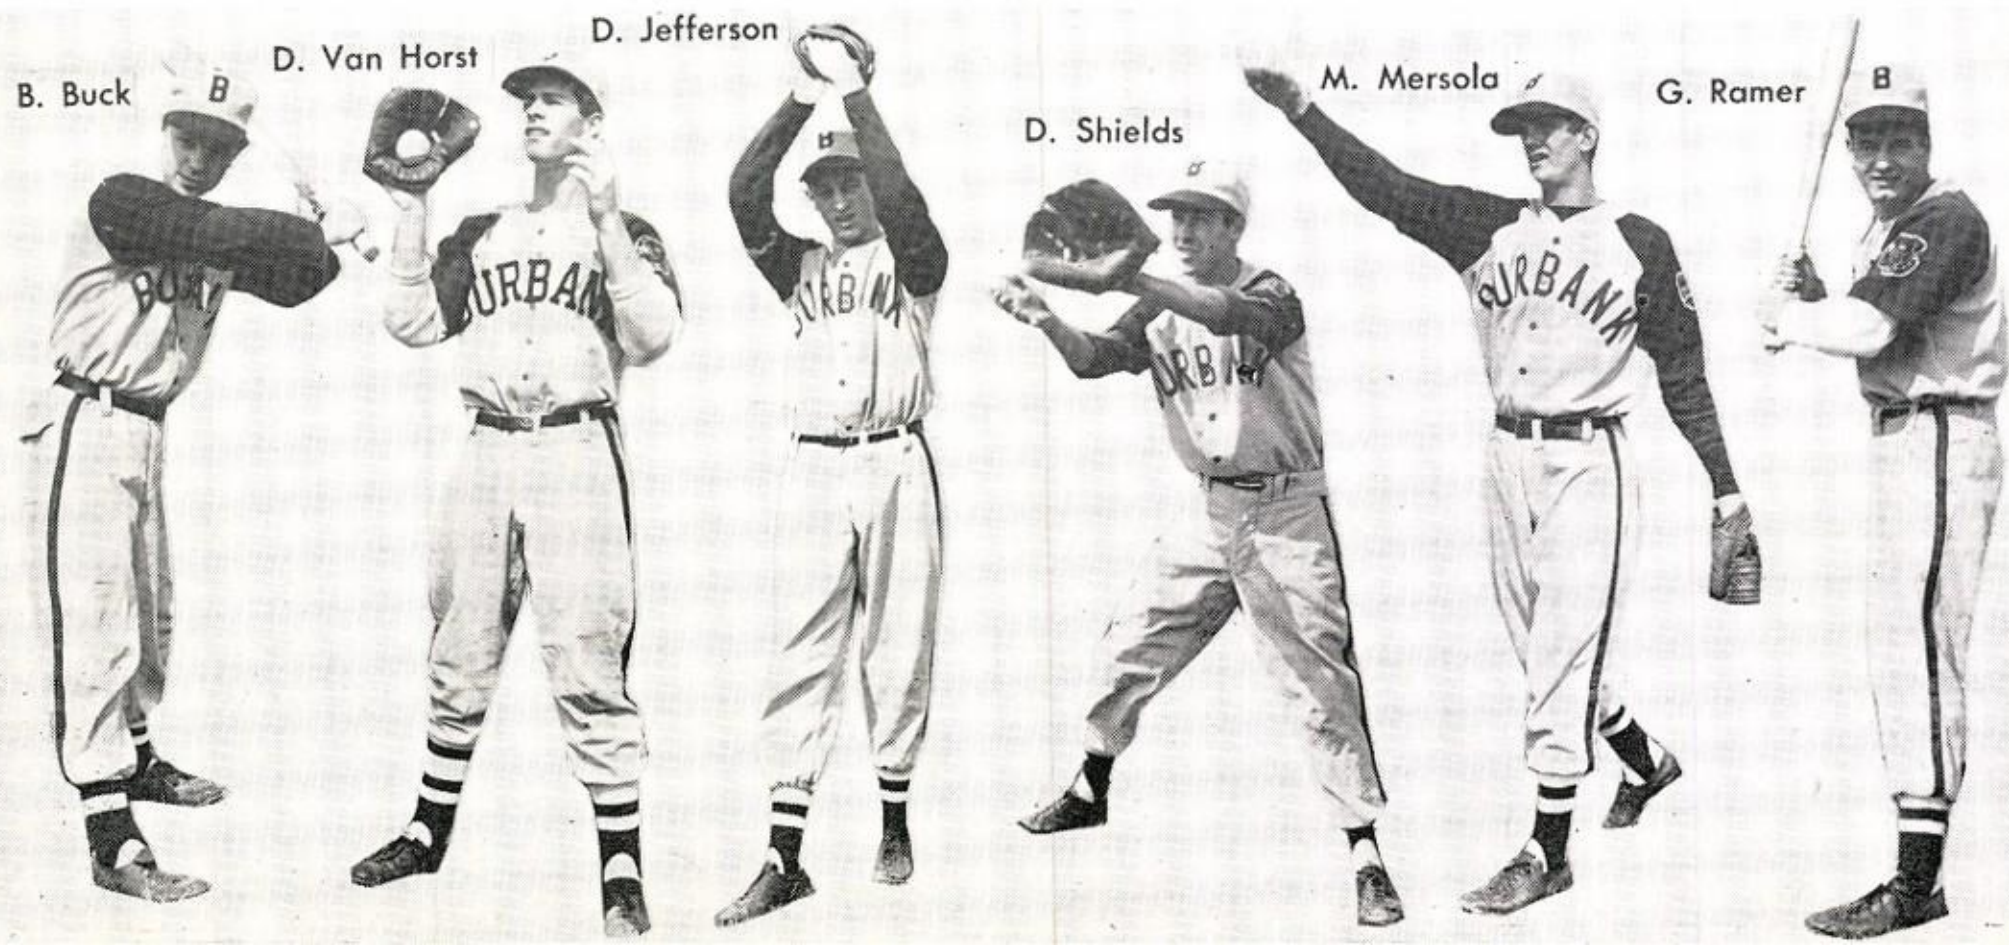

The first string infield was made up of Neil Smith, first base; Rick Shields, second base; Adams, short stop; and Bill Rezo, third base. Bill Buck, Mike Mersola, and Dave Phillips made up the Bulldog

outfield.

Doing the main mound chores for the Dogs was Dave Jefferson. Backing him up were Adams and Buck.

Ken Warner, John Eckstrom, and Bill Higgins were used frequently in the line-up, although they weren't on the usual starting nine.

August Goodman was the capable student manager of the team.

KEN WARNER connects for the long ball during practice session.

And Rides On

The Bulldogs showed promise in pre-season play. They beat John Muir twice, 6 to 3 and 9 to 4. Notre Dame fell 3 to 0 and Oxnard was defeated 7 to 2. The Dogs only accumulated two losses during the pre-season play, a close 1 to 2 loss to Inglewood and a 1 to 3 loss to the highly rated Van Nuys team.

Going into regular play, the Dogs came

out on top of a tussle with the Covina Colts, 5 to 4. They were dumped overboard by Montebello 0 to 6, but bounced back over South Pasadena 5 to 2 and Glendale 6 to 2.

John Burroughs scored eight runs in the sixth inning to defeat the Dogs 3 to 6. Covina repaid the Dogs for their earlier loss by downing BHS 3 to 6.

To Fame

The Bulldogs were victorious over Hoover 9 to 5, edged out by Montebello 1 to 2 and South Pas. 0 to 2.

The Dogs had a league slate of 5 wins and 5 losses after beating Glendale 7 to 6. Burroughs was yet to be played as the Ceralbus went to press.

Since only three first string players (Chuck Rezo,

Shields, and Buck) are graduating, Coach Dick Minasian hopes to have a top notch squad next year. Some of the top players to come up from the J.V.'s are Gary Casella, infield and catcher; Ron Pearson, pitcher and first base; Steve Searock, catcher and outfield; and Dallas Gilbert, utility man.

J.V. TEAM — BACK ROW: T. Kettering, K. Hatley, D. Anderson, L. Martin, K. Bohn, T. Sardella, R. Pearson. SECOND ROW: R. Golding, B. Zuliani, R. Becker, J. Herndon, D. Gilbert. FRONT ROW: D. Erickson, B. Gilbert, M. Gellinck, T. Feterolf, D. Norseth.

RIFLE TEAM — BACK ROW: Mr. Traynor, J. Donner, B. Van Waggnen, D. Willcox, M. Collins, M. Ryan. FRONT ROW: C. Weekley, A. DuFault, B. Williams, T. Gilbert, J. Mabe, D. Whitmoyer, J. Biro.

Riflers and Racquet Men

Burbank's rifle team withdrew from league competition this year due to a lack of returning lettermen. The team was almost entirely green but made an excellent showing, especially in the latter weeks of competition. The high spot came when the sharpshooters scored 862 points against Loyola High. Loyola was the national champion in 1953.

Top score honors went to varsity and return-

ing lettermen, Bob Van Waggnen and Dave Wilcox. These two led the "A" team. Showing promise for next year's squad and leading the varsity greenhorns were Mike Collins, Mike Ryan, and John Donner.

Junior varsity shooters were Norm Trever, Ted Gilbert, Art DuFault, Charles Weekley, Bob Williams, Dave Whitmoyer, and Jim Mabe.

Show Skill!

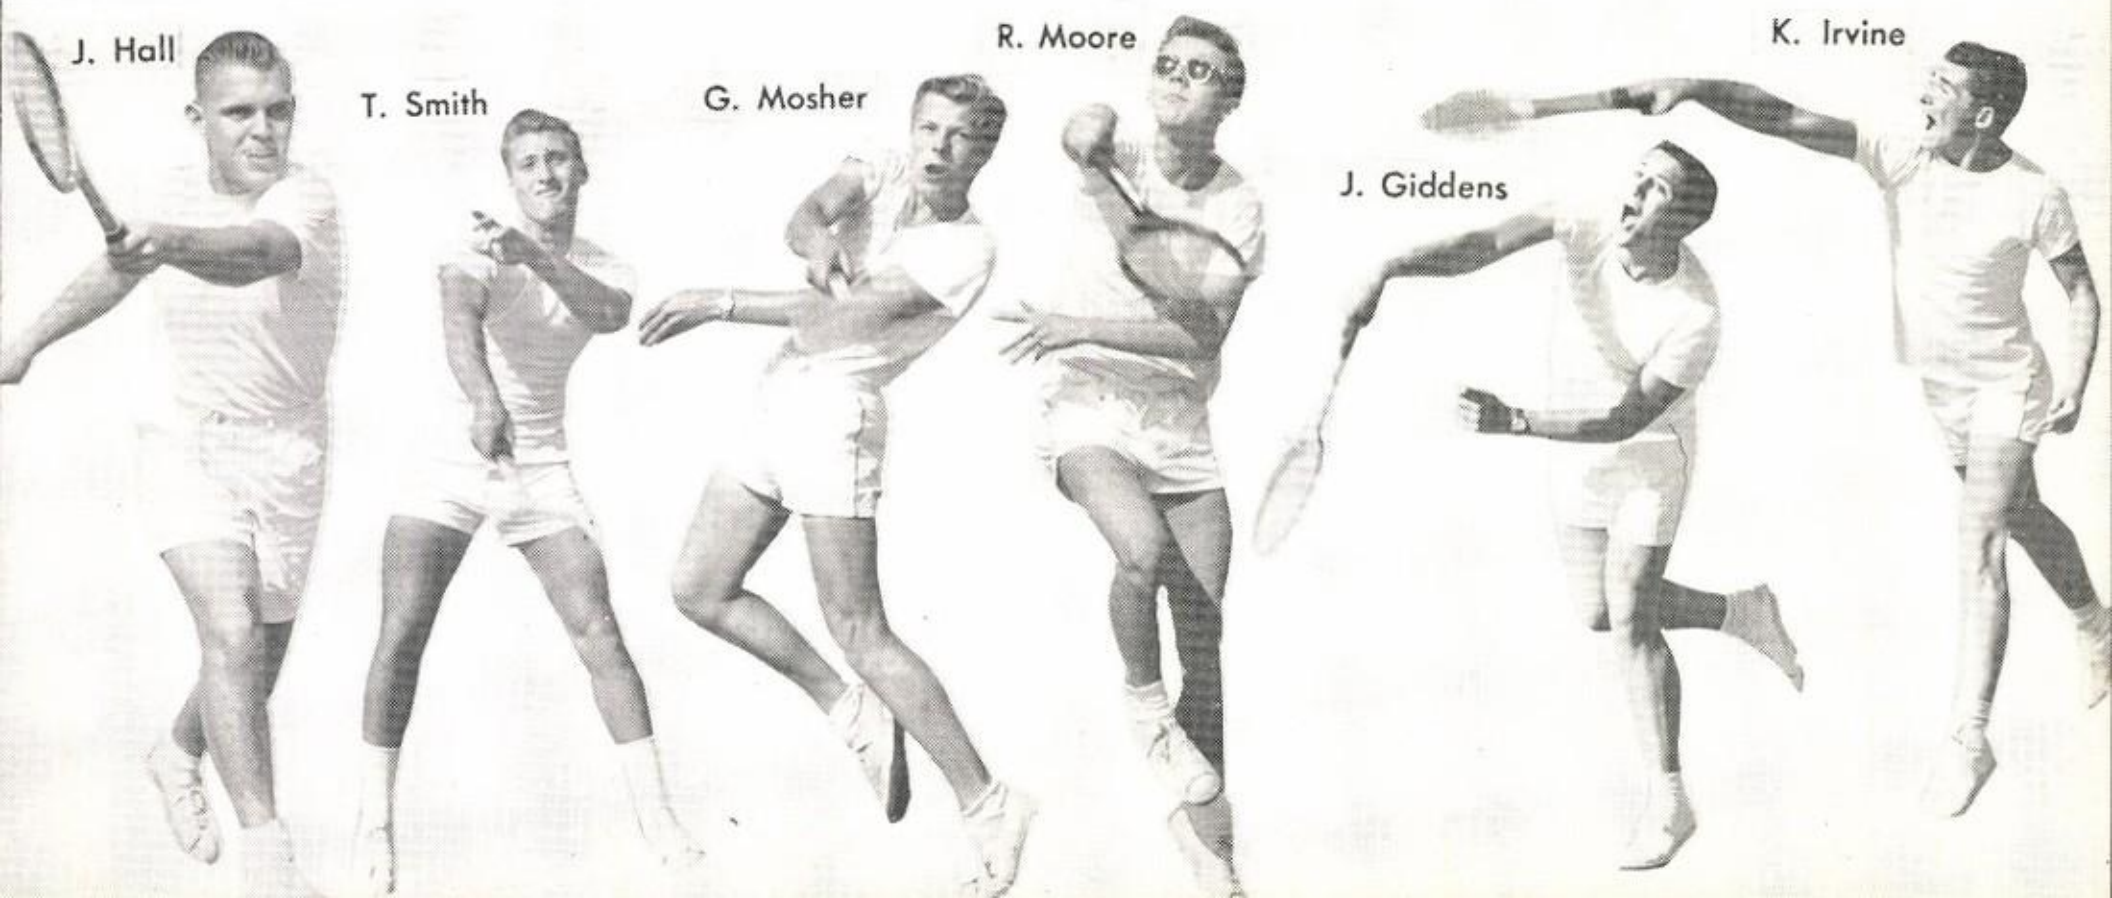

Burbank High came through this year with a tennis team worthy of real credit — in fact by far the best team in nine years.

Coach Ray Turner's top players were Tim Smith, Gorden Mosher, Jerry Giddens, and Dick Bishop, with Smith and Bishop handling the top doubles. Henry Leichtfried, a sophomore, showed quite a bit of promise for next year's team.

The highlights of the season were the 6 to 3 upset over Covina and the close 5 to 4 losses to Harvard's extremely high-rated team, and to the high-spirited John Burroughs' team.

GAA Girls Gain

The Girls' Athletic Association at Burbank Senior High School is very active. The membership reached a new high this year with 200 girls participating in the various sports.

GAA meets twice a week on Monday and Wednesday afternoon from 3:00 to 4:00 P.M. In addition to the regular sport nights, the girls get together once a month for a special activity. The GAA also participates in playdays which are held twice a year with nearby schools.

The sports which the girls had an opportunity to participate in this year were swimming, basketball, baseball, volleyball, badminton, tennis, ping

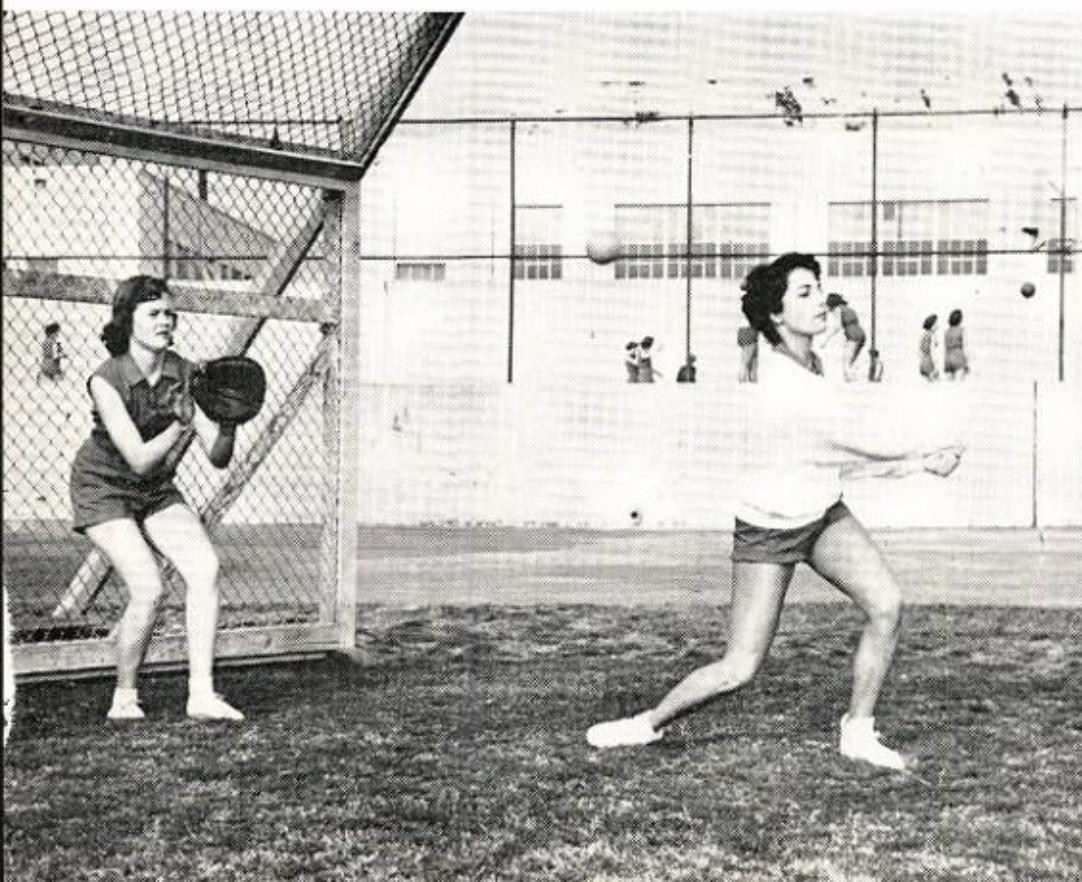

pong, and tumbling.

The GAA officers are elected at the end of each semester. The results of the election are announced at the semi-annual banquet, and the officers are then installed. The board members meet every other Wednesday to plan the special activities of the organization.

Money making projects include cake sales every Wednesday and the selling of football programs at all the games.

The advisors of GAA are Mrs. June Adams and Miss Joan Flatley. Under their leadership, all girls enjoy fun and fellowship throughout the entire year.

PRACTICE MAKES perfect! Two GAA girls find this true, as they practice softball.

ONE OF the exciting sports in GAA is volleyball. Here, two teams battle to win.

IT'S ANOTHER basket, as two GAA teams battle to win their basketball game.

ENJOYING GAA are five of the members as they develop their service in tennis by practicing against the backboard.

Sports and Dance Classes

The Advanced Sports class at BHS is under the capable supervision of Mrs. June Adams, who endeavors to develop her pupils' sportsmanship and skill.

The purpose of this class is to group together the girls who have shown interest and ability in athletics, and who are willing to work hard. To be eligible for this class, a girl must either have an A or two consecutive B's in gym class, be recommended by her gym teacher, and be okayed by Mrs. Adams. To stay in the class, a B average must be maintained.

Basketball and volleyball are two of the sports

offered. In swimming the girls have a choice of instruction in water ballet, diving, or the basic strokes of swimming and beginning swimming. Besides receiving detailed instructions about these sports, the girls are instructed in the refereeing and scoring of games.

Tumbling and body mechanics projects are worked out and given in front of the Advanced Sports class. These projects are graded on ability and originality.

The competitive spirit in this class develops finer teamwork and sportsmanship.

THESE GIRLS are demonstrating good balance and coordination.

ADVANCED DANCE girls are working out a new routine.

THESE GIRLS are doing exercises to music during class.

Are Very Active

Girls at BHS are fortunate to have the opportunity to learn good posture, grace, and self expression in the Modern Dance classes.

The dance classes are divided into three groups, Beginning Dance, Intermediate Dance, and Advanced Dance. There are over 100 girls in the combined groups.

In Beginning Dance, the girls create short dances either in groups or individually. As a term project each girl is required to make a scrap-book containing pictures and articles about dancers and modern dances, or work out a solo dance. This dance is made up of the various positions learned in class and is done to music the girl chooses.

Tryouts are held for girls interested in Intermediate Dance. To try out each girl creates a dance and presents it before Miss Wolfson, the dance instructor. Most of these girls have had some outside training or have taken Beginning Dance. Advanced Dance students, mostly seniors, are girls promoted from Intermediate Dance.

Under the watchful eye of Miss Wolfson, Intermediate and Advanced Dance students spent many long, hard hours planning and practicing for the combined Dance Performance — A Cappella program. The girls did all their own choreography for the program. Miss Wolfson and her students deserve a big round of applause for their hard work.

*Dear Miss Wolfson:
I want to thank you
so very much for all
the help you have given
me this year. I really
appreciate all you
have done for me.
May the best be
yours.
Sincerely,
Loni Adams*

Mrs. Guben,

I must admit this has been my favorite class all year, and I'm really sorry it's over. What I appreciated most in this class was your friendship

SUMMER HONORED seniors were Lee Adams, Joan Trapani, Marti Griffin, and Jim Graves.

and interest in your students. I know how much you helped me this and I really appreciate it. To me, the best teacher is the one that is always helping her students and being friendly with them. I'm sorry I'm not going

to have you more. I want to wish you the best of luck and success always. Also, congratulations on your coming marriage. Good by and good luck.

Odille Samick

LEE ADAMS, Marti Griffin, Emily Puklicky, and Wallace King were the Summer Senior Class officers.

DOROTHY NELSON is surrounded by an interesting collection as she displays a giant star-fish in Biology.

IN CHEMISTRY, Carolyn Merta and Jackie Rudnyk are working on a very difficult experiment.

We Enjoy Working

In order to graduate from Burbank High School a student must have, together with his other classes, at least one year of science. Thanks to the wide variety of science classes offered here at Burbank, fulfilling this requirement can prove to be interesting and enjoyable.

For instance, a person who finds that he likes to study the composition or make-up of the things he sees about him everyday could take a class in Chemistry, taught by Mr. Fesler. In addition to book work and study of the elements, actual experimentation provides an interesting and sometimes amusing change.

If the student's interest lies in the study of living organisms, individual cells, and still more complex life forms, he might take a year of Biology under the guidance of Mrs. Reuben.

There is also a class for those who find that the human body, its parts and functions, is a subject well worth studying. Life Science is a helpful class to students who wish to study medicine and nursing. Mr. McMurry and Mrs. Reuben are our Life Science instructors.

In addition, there is Mr. Traynor's Physics class which studies and experiments in the science of matter and energy and their relationship. Again experimentation gives a break to the book work and demonstrates the interesting principles of physics.

CENTER LEFT: Bert Frescura and Wally King are working with one of the many electrical and experimental machines in Physics class.

BOTTOM LEFT: Showing how the "leg bone's connected to the foot bone," are Ed Blodale and Judy Holmes in Life Science.

Burbank High School has an outstanding science program and a complete mathematics department.

First year algebra and plane geometry are the basic math classes which are taught and they are required of all college preparatory students. In the algebra classes a person learns to solve equations, find the unknown x , and work his way through complicated problems.

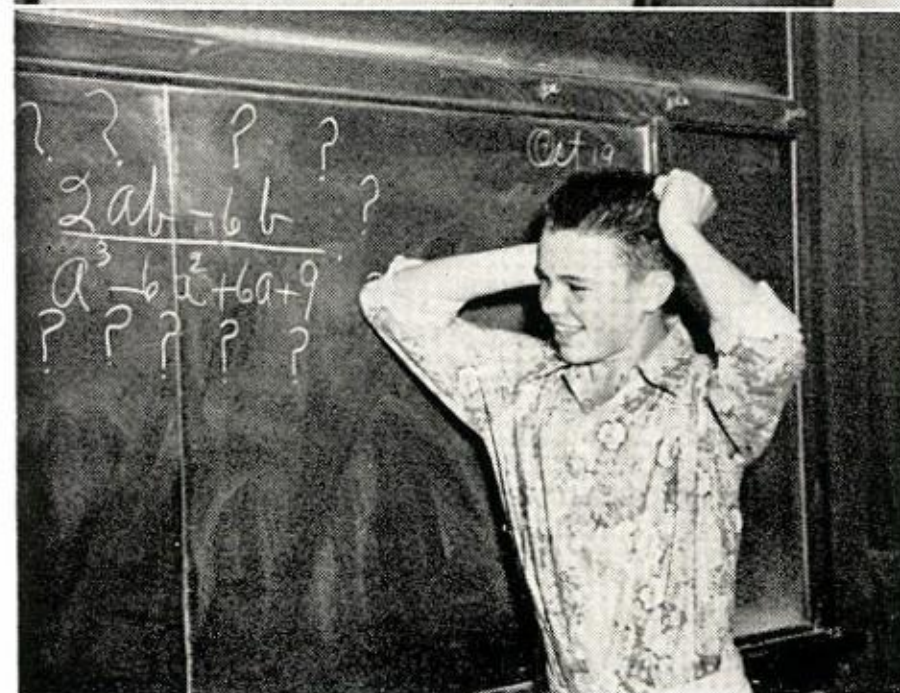

Plane geometry delves into the mysteries of theorems, axioms, corollaries, and the other terms which are used. With the help of compasses, straight edges, and a few other instruments, the student learns how to construct geometrical figures and how to prove them. By taking these courses, one learns to think things through clearly and in an orderly manner.

Those who are preparing to go into the fields of engineering, medicine, and science are required to continue their math education in second year algebra, solid geometry, or trigonometry. Mr. Turner, Mr. Traynor, Mr. Clark, and Mr. Fesler all have a hand in teaching these various subjects.

Burbank High School has one of the finest gymnasiums and athletic fields in Southern California as well as a large heated swimming pool. In physical education classes, the students learn sportsmanship, discipline, and teamwork.

And Playing Together

ALONG WITH enjoying the fun of the game, these boys are learning good co-ordination.

THESE FELLOWS work to build up their bodies in one of the gym classes.

THE TWO boys are learning the ins and outs of a motor in Auto Shop.

Gaining

We at Burbank High are fortunate in having some of the finest industrial arts classes to be found in any high school. Modern equipment, well designed shop buildings, and highly trained instructors combine to give a student the best possible experience by actual practice.

Under the guidance of Mr. Wiley some of the students learn the principles of radio and electricity.

Others, under Mr. Gummere, a new teacher at BHS, become skillful in the art of working with wood.

Mr. Chilton and Mr. Nesel are the instructors in our Auto Service Shop, where boys are taught how to service and work on their own cars. In Mechanical Drawing the fellows use delicate tools and become familiar with accurate drawings such as floor plans and machinery blueprints. Mr. Driscoll is their instructor.

Our machine shop, with Mr. Kofahl as instructor, is the proud possessor of many expensive machines, with which the boys learn the techniques of machine operation.

TOP CENTER: Joe Emanuel and Terrill Hutton are making adjustments on the milling machine.

CAROLYN BAKER, Dolores Rudloff, Roy Jones, JoAnn Ruckman and Judy Bloomfield work busily on their new clothes in the Clothing class.

NANCY WEYENBERG and Pat Slocum prepare a tempting meal during Cooking.

Skill and Knowledge

Two fine teachers head the Home Economics Department at BHS, Mrs. Banks and Mrs. Gorney. In the classes they prepare the girls for caring for their future homes.

The Clothing class has one main objective, to help the girls make and style their clothes. Mrs. Banks capably instructs and advises this class.

Mrs. Gorney directs the girls in Foods classes in the preparing of refreshments for different affairs. The object of the class is to show the way to economical and nutritious dishes.

Personal Grooming aids every girl who takes it in solving her problems of hair or make-up. Many other useful points on the improvement of one's appearance are given.

Mr. Bates instructs students in ceramics, leather-work and other crafts. The object of this class is to interest students in different hobbies.

LARRY HEIST, Marilyn Barrows and Sharon Couch record big figures in the Finance Office during a General Business class.

Preparing For Our Role

Under the direction of Mr. Campbell and Mr. Rankin the General Business classes at BHS diligently learn many new things pertaining to the field of business. During the months they spend in this class, the students are kept busy studying the general information which will help them to become successful businessmen and businesswomen.

Stenography is naturally a must for all those who plan to become the future stenographers of the land. Under the direction of Mrs. Thompson, who also teaches Shorthand and Office Practice, students learn to take down and translate shorthand quickly and accurately. These classes are always full, for if ever the potential stenographers become scarce, there are still plenty of college prep students anxious to learn a method of taking down the maximum number of lectures in a minimum of time.

Another of the essential classes for all business majors is Bookkeeping. Mr. Campbell is Bookkeeping teacher and also instructor of the Record Keeping and School Finance classes. Bookkeeping requires neat and accurate work — something which must be practiced in all business classes.

Many students at BHS are interested in the Typist Clerical course which offers a good future to those interested. Recommended courses include General Business, Bookkeeping, and Typing. Mr. Rankin and Mr. Garapedian, who teach Business Typing, make sure that their pupils are well trained and able to type quickly and accurately. Accuracy is developed through constant practice and drill. Time tests to see how quicly and accurately they can type inspire the students to do their best.

The business classes at BHS are all playing an important part in the training of our future job-holders.

CENTER LEFT: Marlene Miscato, Rose Clemente, and Joan Redman study to become future stenographers in the Stenography class.

BOTTOM LEFT: Katie Costigan, Emily Pucklicky, and Chuck Rezo learn their lessons like model students in Bookkeeping.

Speech and Drama, elective courses at Burbank High School, further the interest of pupils in English and History, which are required courses. During the three year period in high school history, classes bring the students from ancient history through present day and possible future problems. World History, U. S. History and Civics, Problems of Democracy, and Senior Problems are required. Future voters may learn from the past how to plan for the future.

The History and English Departments are closely co-ordinated so that, when a student is learning about the history of a certain period, he also is reading literature in his English class from approximately the same time.

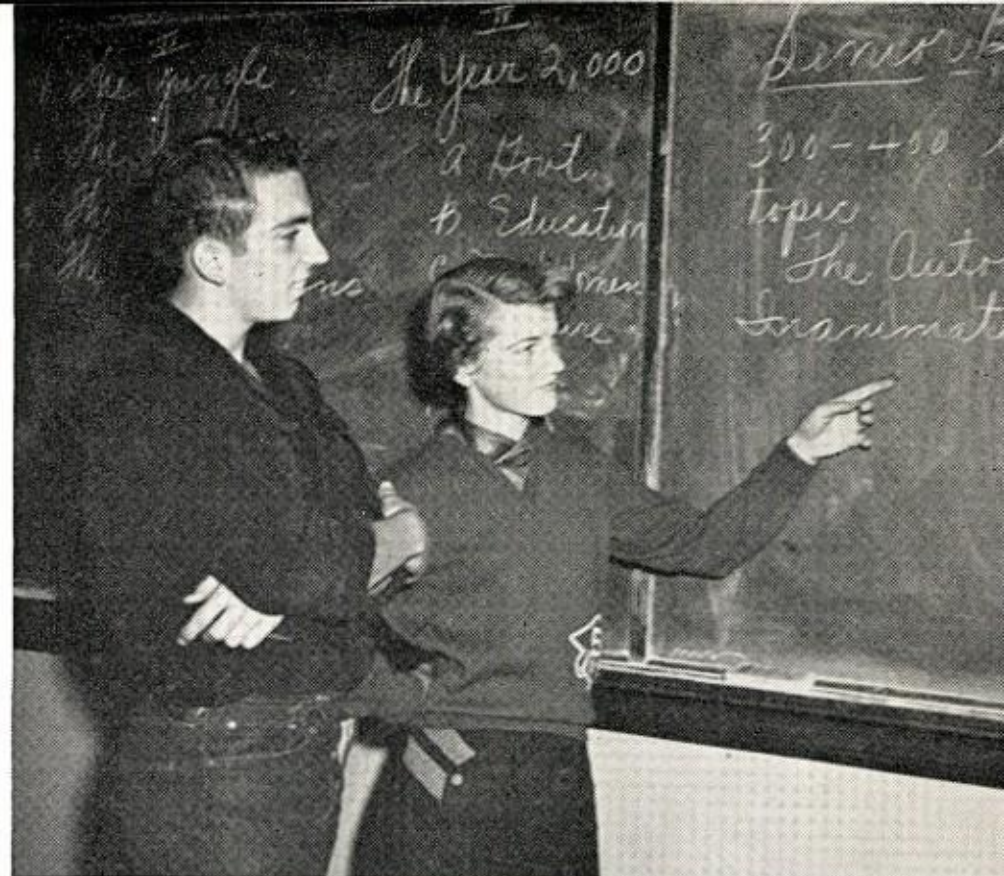

Two and one half years of English are among graduation requirements. Tenth grade classes learn the fundamentals of English. Sophomores also are required to make three book reports. Students in the eleventh grade English classes become acquainted with works of American writers. Four book reports, one oral and one written, are required.

Seniors majoring in commercial and industrial fields take Business English. They are taught all phases of English grammar which pertain to their field.

Seniors who are preparing for college drill on fundamentals of English. They learn to express themselves clearly and logically, orally as well as on paper.

TOP RIGHT: Dave Vanderlick and Carol Holmes discuss term reports due in Problems of Democracy.

CENTER RIGHT: Pointing out a prominent place in ancient history to some very interested World History students is Bob Howell.

IN MEMORIAM

Mr. Mort Lawrence will long be remembered by all the students and teachers at BHS. His warm, eager smile and his gracious manner made him the friend of everyone. The welfare of his students, the needs of others, the improvement of the CERALBUS . . . these thoughts were always uppermost in his mind. His sense of responsibility was keen; his ability was great. Under his capable direction a new high standard was set for the CERALBUS, which will be a guide for future years. Under his expert leadership, many students gained knowledge and new ideals.

The work will go on; there will be new classes, new teachers — there will be more progress, but for those who have worked with Mr. Lawrence there will also be a memory . . . a cherished memory of a man with a mission — a man with a restless driving spirit — a man who set the standards high.

Dear Mrs. Lawrence,
 I have enjoyed being
 in your class. It was
 very interesting and I learned
 a lot. Lots of luck in
 the future years.
 Always,
 Barbara Rubin.
